Envision Math 2009 National Home School Bundle Kit Grade 5 ,2008-01-01 Engage Every Learner with enVisionMATH As your child continues through his or her math education he or she will be ready to take on more challenging coursework enVisionMATH Grade 5 not only provides the appropriate difficulty level it also ensures your child has built up to

it enVisionMATH is a math curriculum for homeschooling that uses visual aids and interactive activities to develop and solidify your child's subject knowledge. By the time you start using enVisionMATH Grade 5, your child will have a strong foundation in mathematics that will help him or her master math education in the future. The enVisionMATH curriculum will be your guide from K-6 as you prepare lessons for your child's homeschool program. Grade 5 is the next step in that journey. With the help of the colorful and detailed images provided in the curriculum materials, you'll be able to educate your child to the best of their abilities. enVisionMATH Grade 5 is a unique program because it addresses the needs of children's multiple learning styles. The graphs and drawings help visual learners digest the information, while computer-based quizzes and on-paper activities help kinesthetic learners grasp and absorb math concepts. No matter what style your child prefers, he or she will complete Grade 5 being able to understand and properly execute the order of operations in math equations, i.e., multiplication takes place before addition, and so on. Perform addition, subtraction, multiplication, and division using multi-digit numbers with or without decimals. Grasp and use numeric expressions of equations such as $3 \times 5 = 8$. Use fractions in addition, subtraction, multiplication, and division. Use graphs and charts to express numbers. Understand and find volume and area of a shape. Use prior knowledge to solve word problems. enVisionMATH Grade 5 brings out your child's problem-solving skills, helping him or her to use abstract and quantitative reasoning. As you work through the curriculum, you should notice your child not only using math concepts but explaining them accurately. enVisionMATH has been proven successful by independent scientific research, but you don't have to take our word for it. You can learn more about the specific items included in Grade 5 by visiting the Features and Benefits page.
