Book Review 1 A collection of intimate interviews with people regarding the personal familial cultural and geographic factors in their working lives Inspired by Studs Terkel's Working 1974 which profiled ordinary American workers editor Skees God Among the Shakers 1998 takes the concept global Six of her 16 subjects live in the United States including a slack key guitarist in Honolulu an architect in Cincinnati and a recruiter headhunter in Tampa Florida The rest are on other continents including a coffee farmer in Nicaragua a Masai warrior in Tanzania a married couple running an eco friendly factory in India a rickshaw puller in Bangladesh and a private equity manager in Hong Kong Skees organizes the material into five sections Entrepreneurship Industry and Transportation Farming Food and Animals Finance and Technology and Music an environmental activist in American coal country a banana farmer in Uganda a college admissions counselor in Rwanda and a fringe diplomat in Tel Aviv Few books dig so deeply into life as it's actually lived with such unsparing intimacy Prose Skees's own prose is sharp clear and purposeful but outside of introductions and some notes most of the book come straight from the

mouths of her subjects through first person monologue Skees breaks the chapters up into short labeled sections This is helpful for skimmers but the shortness of the individual sections gives the chapters a stop and start feeling impeding narrative momentum Originality This isn't the first book to survey workers in their own words about work nor even the first one by Skees to do so but the author has selected a fresh fascinating cross section of people to reveal truths about the world and this current moment Execution The book offers insights wisdom challenges to orthodox thinking and some arresting first person storytelling It's both eye opening and a pleasure to learn about the day to day work of a Zambian mobile money agent and to discover how that work is vital to a population outside of the banking system That said the narrators individual voices sound somewhat similar to each other and the speakers too rarely offer up surprising or engaging anecdotes The emphasis here is strongly on the work itself and the sociopolitical context that created the opportunity for such work There's great value in capturing that but the book might prove more enticing for general audiences with a greater emphasis on voice and storytelling Booklife Publisher's Weekly *Food Blogging 101* Malika Harricharan Bowling,2014-06-17 This book is intended for those people who would like to become food bloggers but who do not quite know how to start As a matter of fact the information provided here could help anyone who wants to be involved in blogging Becoming a food blogger has many advantages You get to travel if you like to And you do have the opportunity to dine at some of the finest restaurants in your city or elsewhere You are invited to many networking and public relations events and your personal network expands to include some of the best contacts who could help you along the way You can start a little business with your simple blog and watch as it grows into something substantial that could help lots of people You could even earn a full time living from your efforts and end up having the freedom you've always dreamed of *Book Pre-Launch Marketing* Lawrence Harte,Drew Becker,2020-08-31 This book teaches you how to create promotional media and do marketing and book pre sale activities before publishing your book Book authoring can take a long time authors may not know what or how to promote and wrong promotion can waste time and result in social backlash Book authors can do pre launch marketing to earn book pre sales and other money rapidly get publicity and credibility and to find and insert additional media into their book During the pre launch marketing process Authors can make new connections with experts and book buyers get review feedback for book updating and use lists and other media to achieve 1 best seller status on Amazon and other retailers With this book you get access to 100 guides ready to edit templates and examples from successful book pre launch marketing campaigns After Reading this Book You Will be Able To Do Promotion Before Publishing Your Book Identify Effective Book Marketing Topics Channels Create Promotional Media Posts Using Templates supplied Write Effective Book Descriptions Create Use Book Promotion Marketing Materials Earn Revenues from Book Pre Sales Sponsorships Use Marketing Activities to get 1 Best Seller Status Chapter 1 Book Pre Launch Marketing Pre launch marketing benefits key processes and steps and ways to be more successful in less time Chapter 2 Book Pre Launch Management Organizing your book pre launch activities by creating a

plan task list contact list and other documents Chapter 3 Book Launch Research How to find and review competitive books materials invite and talk to potential readers and use research activities and materials in your marketing materials Chapter 4 Promotional Media Ways to create effective descriptions images and media items and profiles that can be discovered or shared with potential reviewers contributors and buyers Chapter 5 Media Channels How to setup media services and profiles that allow you to be discovered by or reach and influence potential customers Chapter 6 Media Posts how to create and publish messages that contain discoverable and motivational content Chapter 7 Marketing Campaigns 20 successful pre launch marketing campaigns and how to do them Appendix 1 Book Pre Launch Marketing Resources including sample plans templates and other media items along with instructions and sample materials Appendix 2 Book Pre Launch Marketing Guides for key types of promotion projects such as book cover design contests buyer reader journey interviews book sponsorships and 20 others Appendix 3 Book Pre Launch Marketing Tips 30 success tactics and proven processes along with steps and sample templates Appendix 4 Book Pre Launch Marketing Checklist A sample one page sheet that contains 60 key steps for book pre launch marketing Appendix 5 Book Marketing Media Contributions How to submit successful tips resources and other media to update this book and its companion course Appendix 6 Book Marketing Directory 60 lists of resources tools and services that help Book Launch Marketing
