**Shoppernomics** Roddy Mullin, Colin Harper, 2016-04-01 The journey to purchase for the family shop or the B2B buyer is impacted by media advice packaging and trial The sales and marketing challenge is what to say and where to say it Shoppernomics based on research and case studies from US and UK examines the path taken by the potential buyer The authors describe the key drivers and barriers on the journey to purchase They identify the need to get key messages key partners and key media all working together and a framework for success The authors challenge the budget split between sales and marketing as possibly the largest barrier to successful shopper marketing and identify core stores and the areas they serve as being equally important targets for investment Shoppernomics provides the manual for achieving successful

companies serving happy and loyal customers as the ultimate goal for manufacturers retailers and brands It reminds marketers that it is what customers take from their product or service that is important not what they think they are delivering It reminds sales people that nothing is more important than matching supply and demand in the eyes of the customer regardless of who actually makes the ultimate sale Shoppereconomics is designed to deliver fast results for companies prepared to recognise that they are not perfect and go the extra mile to find out why

*Fashion and Motherhood* Laura Snelgrove,2024-01-25 Motherhood whether achieved through biological or other means is not a rare experience dressing oneself even less so The two phenomena are intimately linked as both occur on and to the private body and are also fully subject to social pressures and the changing tides of public opinion They also for anyone who experiences motherhood define one another and work together to shape an individual s identity and place in their culture This rich collection explores the essential question of how motherhood and fashion interact interrogating their relationships to power misogyny temporality longing and embodiment among other themes The 13 essays examine representations on film in popular print and literature they use images narrative and material evidence from the past to excavate the historical cleavages in how mothers have been expected to hide display share and sacrifice their bodies An international range of scholars explores the 19th to the 21st centuries tracing how fashion and motherhood have operated as powerfully interdependent experiences and continue to determine how women are judged and corralled yet also find meaning connection and strength
