# Numerical Analysis

The background of the cover features a complex, three-dimensional visualization of a mathematical curve or surface. The structure is composed of multiple overlapping, semi-transparent layers. The central part of the structure is a bright, glowing blue and cyan, which fades into a darker green and then into a dark blue as it moves towards the edges. The overall appearance is that of a helical or spiral structure, possibly representing a mathematical concept like a helix or a similar geometric form. The lighting is dramatic, with strong highlights and deep shadows, giving it a sense of depth and volume.
