

United States Government

Introduction to the Constitution

...the Constitution of the United States...

The Constitution is the supreme law of the United States. It is the foundation of the government and defines the powers of the three branches: the Executive, the Legislative, and the Judicial. The Constitution also protects the rights of citizens and ensures a fair and just society.

...the Constitution of the United States...

Major Branches of the Government

The Executive branch is headed by the President and is responsible for enforcing the laws. The Legislative branch is made up of the House of Representatives and the Senate, and is responsible for making laws. The Judicial branch is headed by the Supreme Court and is responsible for interpreting the laws.

State Government

State governments are responsible for many of the services we use every day, such as education, transportation, and public safety. Each state has its own constitution and government structure, but they all follow the same basic principles as the federal government.
