agora pulse

The screenshot displays an AI-powered writing assistant interface. At the top, there is a search bar with the text "is asking Co". Below the search bar, a text editor contains the following text:

What is the difference between a home's appraised and market value?

Market value is the price that the average buyer is willing to pay for a property and is a subjective number.

Appraised value refers to the objective value of a home assigned by a licensed appraiser.

These numbers should be similar, but if not, you can contest.

Appraised value is a measure of market for a second opinion.

Surrounding the text editor is a grid of emotion tags, each with a corresponding emoji:
