

Las revelaciones de Sirio

Me encuentro en una cueva, siendo la observadora de la escena. Allí hay un altar. Su base es una gran espiral como de cobre, que se eleva unos cuatro metros sobre el suelo. Encima de ella hay una esfera cristalina perfecta, y dentro de este gran globo de cristal está ensamblado un filamento de oro, curvado en forma de «S», como una serpiente preparada para atacar.

En un momento dado entiendo que, enviando pensamientos en dirección ascendente por la espiral de cobre, puedo encender el cristal: toda la cueva se ilumina cada vez que envío un pensamiento por la espiral. Aquí empiezo a canalizar alguna información muy significativa sobre realidades dimensionales, universos paralelos y el verdadero significado de la alquimia.

Me entretengo enviando estos pensamientos por la espiral y viendo que la esfera de cristal se enciende como una farola. En un instante, la cueva se ilumina completamente y veo las paredes formadas de cristales y espirales de cobre, conectadas con esmeraldas sin tallar. Toda la estructura es un complejo diseño de cristales de cuarzo y amatista, de espirales de cobre, esmeraldas y filamentos de oro que interconectan los cristales.

Desde el punto donde me encuentro, grito: «¡Soy el generador central de esta estructura!» y seguidamente me despierto; un sudor frío cubre mi cuerpo... me abruma la sensación de que, más que un sueño recurrente, éste es un recuerdo verdadero de la Atlántida que está emergiendo de las profundidades de mi alma.

Este recuerdo de la Atlántida inspiró a Roberta Bongiovanni, la ilustración utilizada en la portada de este libro.
