Learn JavaScript with p5.js Engin Arslan, 2018-03-06. Learn coding from scratch in a highly engaging and visual manner using the vastly popular JavaScript with the programming library p5.js. The skills you will acquire from this book are highly transferable to a myriad of industries and can be used towards building web applications, programmable robots, or generative art. You'll gain the proper context so that you can build a strong foundation for programming. This book won't hinder your momentum with irrelevant technical or theoretical points. The aim is to build a strong but not overly excessive knowledge to get you up and running with coding. If you want to program creative visuals and bring that skill set to a field of your choice, then *Learn JavaScript with p5.js* is the book for you.

What You'll Learn: Code from scratch and create computer graphics with JavaScript and the p5.js library. Gain the necessary skills to move into your own creative projects. Create graphics and interactive experiences using Processing. Program using JavaScript and p5.js and secondarily in creating visuals.

Who This Book is For: Artists or visual designers. Also those who want to learn the fundamentals of programming through visual examples.
