

# Home Gym Dumbbell Training Program

Two plate-loading dumbbells with a selection of plates and a flat bench are the only pieces of equipment needed for this training program. Use enough weight so that the last rep of each exercise is fairly difficult. Perform the exercises in the order shown. Do 1, 2 or 3 sets of each exercise, depending on how long and hard a workout you want.

Days per week: M-W-F or T-Th-Sat.
