Exploring ethical approaches to inclusive development this book navigates challenges and strategies empowering readers to foster resilient equitable communities in the ever evolving 21st century **Evaluation in Small Development**

**Non-Profits** Leanne M. Kelly, 2020-10-30 Research on evaluation shows that low use and non use of evaluation is common yet evaluation is hailed as beneficial and worthwhile The worth of evaluation is tied to its utilisation presenting a paradox if

evaluation is both revered and underutilised This book investigates this paradox in the under researched context of small development non profit organisations which have specific resource constraints and bottom up community development values that complicate their ability to do and use evaluation in line with top down directives The book examines the utility meaningfulness and purpose of evaluation from small non profit perspectives and explores whether evaluation has value for these organisations For development practice it presents evaluative alternatives that reconceptualise evaluation as part of the active process of development rather than as an interval based add on For evaluation theory it highlights a historical preoccupation with improving evaluation without assessing its inherent worth and considers alternative ways to enhance the value of evaluation for small non profits

Decolonised and Developmental Social Work Raj Yadav,2019-04-01 This is the first book to cover existing debates on decolonising and developmental social work whilst equipping readers with the understanding of how to translate the idea of decolonisation of social work into practice Using new empirical data and an extensive detail of social cultural and political dimensions of Nepal the author proposes a new model of decolonised and developmental social work that can be applicable to a wide range of countries and cultures By using interviews with Nepali social workers this text goes beyond mere theoretical approaches and uniquely positions itself in a way that embraces rigorous bottom up grounded theory method It will also further ongoing debates on globalisation localisation universalisation contextualisation outsider insider perspectives neoliberal rights and justice oriented social work and above all colonisation decolonisation of social work knowledge and practice It also promotes solidarity of and the struggle for progress for those in the margins of Western social work and development narrative through an emerging theory praxis of decolonised and developmental social work Decolonised and Developmental Social Work is essential reading for students academics and researchers of social work and development studies as well as those striving for a decolonial worldview
