Write a Letter

Write 180-210 words

You recently hired an external consultant to help you on a project you were working on. As the project has now finished, your line manager wants to know if hiring an external consultant was a good idea. Tell him what you think in a letter.

Write the letter to your line manager.

Write about:

- Why you thought this external consultant was suitable
- What the consultant did on the project
- Whether you would consider hiring an external consultant on future projects

and any other points you think are important

Dear Felipe,

I am writing to you because I want to give my opinion about the external consultant in this email.

First, the project was successful for the company; we used only 70% from the budget, so we saved 30%, the second point was that we achieved the goal on time and form according to the document proposed in the first meeting before starting the project; also we will increase 15% of productivity with our products in the next month.

Therefore, with those results I think that we hired an excellent external consultant because he always have improvement proposals about cost-benefit at all moment, he always surprise us with different solutions and he have experience with these projects of automation.

The external consultant always was focused on reduce cost and dead time, he always was lookout of our worker about security and he did not let our staff work in places of risk because this is important for our company and theirs, because the security is the most important.

In conclusion, I would like to hire for the next project an external consultant of the same Eagle Company; literally, they have excellent workers about consulting.

Sincerely,

Julio Pacheco.
