

AFFINITY DESIGNER

The Interface Explained

Toolbox

Use the toolbox to create and edit objects, and to apply alignment, spacing, and other design settings.

Layers Panel

Use the layers panel to manage the objects in your design. You can hide, lock, and delete objects, and you can also rename them.

App Panel

Use the app panel to manage the settings for your design. You can change the background color, the grid, and other settings.

Chris Ware shows in Figure 17-17 how you can close an app off. This is useful when you want to look at your document without any distractions.

Menu Bar

Provides commands and options for the app menu.

Layers Panel

Let you change the properties of objects, like opacity and position, in the design.

Document View

This is your design. You can zoom in or out, and you can also scroll through the design.

Status Bar

Provides feedback and information about the current state of the design, like the current tool and the current object.
