The Income Factory: An Investor's Guide to Consistent Lifetime Returns Steven Bavaria,2020-02-28 The proven all weather investing strategy that delivers long term consistent returns The most common investing approach today one that values growth over all else can be ineffective and counterproductive for many investors not to mention needlessly stressful Now one of Seeking Alpha's most popular writers Steven Bavaria provides a groundbreaking alternative that will see you through all markets up down and sideways The Income Factory shows how to build an income stream that increases solidly and consistently a result of re-investing and compounding the dividends And the best part This income stream actually grows faster during market downturns than during flat or rising market periods The Income Factory sheds light on Why high yield doesn't have to mean high risk How credit investments perform more predictably than equity investments Why junk is a misnomer and why high yield debt is safer than most of the stocks investors own How to grow your wealth steadily without following the markets obsessively Through Bavaria's strategy cash income increases year after year at a predictable rate For example a 9% yielding portfolio doubles and re-doubles every 8 years If you're in for the long haul an Income Factory lets you achieve your goals and still sleep well at night Investing does not have to be about picking specific horses and hoping they win the race An Income Factory achieves its goals by essentially betting on horses to make it around the track and finish the race Those are easier bets to win and they don't require us to be glued to the financial news 24/7
