

The background image shows the SolidWorks Simulation software interface. On the left, there is a tree view of the model's structure. The main area displays a 3D model of a mechanical part, possibly a bracket or a support, with a mesh overlay. The mesh is colored in shades of gray and green, indicating stress or displacement analysis results. The top of the interface shows various toolbars and a menu bar. The overall scene is dimly lit, with the text overlaid in white for high contrast.
