Metronome Matthew H. Birkhold,2025-11-13 Object Lessons is a series of short beautifully designed books about the hidden lives of ordinary things When the metronome was invented in 1815 it transformed the music world Composers and musicians now had a tool that could help them maintain a precise and consistent tempo And while giants of classical music like Beethoven early embraced the metronome and proponents came to

see its essential role in music instruction critics believed it created mindless players and inhibited the creation of great art The metronome evokes strong feelings because of its uncompromising power Through it we are connected to the past propelled into the future and kept focused on the present For that reason this object has appeared in unlikely settings as athletes scientists psychologists authors and other professionals have found uses for it beyond music Metronome uncovers the surprising and fraught history of a timeless object *Newsline* ,2006 Crisis, Media ,2004 Contributed articles presented at the Crisis Media Workshop organized by Sarai CSDS Delhi in March 2003 analysing media coverage on wars and internal disturbances in various South Asian countries **Choice** ,1973 *Hospital Periodical Literature Index* ,1961
