**The More of Less** Joshua Becker, 2018-11-20 NATIONAL BESTSELLER Don't Settle for More Most of us know we own too much stuff We feel the weight and burden of our clutter and we tire of cleaning and managing and organizing While excess consumption leads to bigger houses faster cars fancier technology and cluttered homes it never brings happiness Rather it results in a desire for more It redirects our greatest passions to things that can never fulfill And it distracts us from the very life we wish we were living Live a better life with less In *The More of Less* Joshua Becker helps you Recognize the life giving benefits of owning less Realize how all the

stuff you own is keeping you from pursuing your dreams Craft a personal practical approach to decluttering your home and life Experience the joys of generosity Learn why the best part of minimalism isn't a clean house it's a full life The beauty of minimalism isn't in what it takes away It's in what it gives Make Room in Your Life for What You Really Want Maybe you don't need to own all this stuff After a casual conversation with his neighbor on Memorial Day 2008 Joshua Becker realized he needed a change He was spending far too much time organizing possessions cleaning up messes and looking for more to buy So Joshua and his wife decided to remove the nonessential possessions from their home and life Eventually they sold donated or discarded over 60 percent of what they owned In exchange they found a life of more freedom more contentment more generosity and more opportunity to pursue the things that mattered most The More of Less delivers an empowering plan for living more by owning less With practical suggestions and encouragement to personalize your own minimalist style Joshua Becker shows you why minimizing possessions is the best way to maximize life Are you ready for less cleaning less anxiety and less stress in your life Simplicity isn't as complicated as you think

*Sustainability in Art, Fashion and Wine* Annamma Joy, 2024-03-18 The art fashion and wine industries are currently at various stages in their efforts to embrace and transition towards sustainability While sustainability commitments are a necessary condition for progress they are not sufficient Instead there is a need for sweeping transformative change that includes giving serious consideration to indigenous worldviews without recolonizing them Sustainability in Art Fashion and Wine includes findings from recent research and contributes to a new understanding of familiar concepts such as sustainability de colonization and corporate responsibility in the art fashion and wine industries by adopting critical lenses and incorporating them with innovative perspectives on circular business models and digitalization It endeavors to present remedies for effectively combating climate change and promoting social good While discussing specific issues such as sub contracted labor safe working conditions living wages environmental degradation mismanaged waste and more the book argues that recognizing the significant role western colonization has played and continues to play in the developing world in our current conception of capitalism is itself unsustainable To understand the true meaning of sustainability to fully recognize the looming deadlines we face in combating the climate crisis and instituting sustainability as a new normal the acceptance of a new conception of capitalism one antithetical to colonization and exploitation is required Contributors to this book address these issues by applying a critical studies approach to their respective chapters allowing the book to set out what real sustainability could and should look like in the art fashion and wine industries
