QUOTE FOR MULTI USE ACCESS *The Palestinian Authority in the West Bank* Michelle Pace, Somdeep Sen, 2018-12-19 The Palestinian Authority in the West Bank explores the manner in which the Palestinian Authority's performative acts affect and shape the lives and subjective identities of those in its vicinity in the occupied West Bank. The nature of Palestinians' statelessness has to contend with the rituals of statecraft that the Palestinian Authority (PA) and its Palestinian functionaries engage in. These rituals are also economically maintained by an international donor community and are vehemently challenged by Palestinian activists antagonistic to the prevalence of the statist agenda in Palestine. Conceptually, the understanding of the PA's theater of statecraft is inspired by Judith Butler's conception of performativity as one that encompasses several repetitive and ritual performative acts. The authors explore what they refer to as the fuzzy state personified in the form and conduct of the PA looks like for those living it from the vantage point of PA institutions, NGOs, international representative offices, and activists. Methodologically, the book adopts an ethnographic approach by way of interviews and observations in the occupied West Bank and East Jerusalem. *The Palestinian Authority in the West Bank* makes an important and long due intervention by integrating performance studies and politics to suggest an understanding of the theatrics of woeful statecraft in Palestine. The book is an essential resource for students and scholars interested in the study of the state. *International Relations and Politics: Palestine Studies and the Middle East* Critical Education Leadership and Policy Scholarship Steven J. Courtney, Paul W. Armstrong, Amanda McKay, 2024-11-11 *Critical Education Leadership and Policy Scholarship* explores the relationships between education leadership and policy whilst showcasing the advancement of a new methodology for exploring education leadership from a critical perspective. **Audio-visual Aids for Student Council Education** University of Mississippi. Education Film Production Department, 1960 **British Medical Journal**, 1877 **Journeys in Social Education: A Primer** C. White, 2011-07-23 Social education is quite a journey. Given the ongoing debate and struggle with defining social education, the following is at present a working definition. While we resist defining social education, we believe that social education emphasizes three areas of study: critical pedagogy, cultural media studies, and social studies education. We also stress that education interpreted broadly has the potential to advance social justice. Thus, emerged social education, a lifelong journey for all of us to question, to challenge, to do, and to create. Connecting present and past, merging current issues with traditional curriculum, integrating alternative texts and perspectives, empowering and emancipating kids and educators, and transforming schools and society, the transgressions of social education scream out. Dewey, Freire, Kincheloe, Zinn, Greene, Giroux, Apple, hooks, McLaren, Kozol, Loewen, Said, Chomsky, even Bob Dylan, and many others have provided the impetus. May we make them proud. The essays within this text demonstrate various journeys in social education. They are meant as stories, not maps or scripts. They are intended to serve as a primer of sorts for those interested in a similar journey. Hopefully, this can be a meaningful experience for many students, educators, parents, and society as a whole, of course. Well, the journey and struggle continues. Christian Education, 1928
