**The World is My Office** Chad Wyatt, 2020-01-09. Have you ever wanted to travel the world without a care or worry? As a full time and successful digital nomad I have over 10 years of experience travelling the world and working to sustain my travel habit. This success has taken me across countries all over the world whilst witnessing the jaw dropping natural beauty and wonders of the world. Whilst undertaking these travels I successfully built multiple businesses, worked with clients all over the world, completed a university degree and more importantly learned the most valuable skills to get where I am today. The digital nomad trend is surging and will continue to grow in popularity over the years. The freelance market is expected to grow continuously meaning that more opportunities for remote work are becoming available. Now is the time to make your move into the freelance world and become a digital nomad. This book will guide you through all the steps of becoming a digital nomad and prepare you with all the information you could need. Every aspect of this lifestyle will be covered including popular topics such as how to find work and problems you may encounter. I am also offering personal support and help with any of the topics covered in this book. The details can be found in the book.

**Becoming a Digital Nomad** Chris Backe, 2018-04-06. Presenting the 2019 edition. Imagine living the lifestyle you want while making money and working anywhere in the world. Imagine enjoying the beaches in Thailand one day then trying the best pizza in Italy the next. It sounds like a dream. Travel anywhere you want, make money doing something you enjoy and live life to the fullest. It's not a dream though, a growing number of digital nomads are leaving the 9 to 5 life and choosing to take control of their life. What's a digital nomad? A person who travels at will, lives where they want and does their work digitally. They have no cubicle and no dress code. Digital nomads are young, old, male, female, single, married, have children and are from almost every country on this planet. If you want to become a digital nomad, nothing can stop you. **Becoming a Digital Nomad** offers a proven step by step guide to test and transition into the digital nomad lifestyle. It's one part travel guide and one part how to. Steps build on each other in chronological order and a dozen worksheets guide you with specific questions to answer.
