This title covers such topics as consumer and organizational buyer behaviour product and innovation strategies direct  
marketing and e marketing Strategic Management for Tourism Communities Peter E. Murphy,Ann E. Murphy,2004-11-05  
Tourism with its wide ranging impact needs to be managed effectively but how This book advocates taking a business  
approach to tourism that encourages greater collaboration between stakeholders in the practical assessment of tourism  
options The approach places key business management functions and stakeholders at the forefront of tourism initiatives The  
business management functions of planning organising leadership and control are the filters through which tourism  
opportunities are viewed while the stakeholder groups of customers residents industry and government set the agenda for  
appropriate tourism development Tourist destinations must engage in realistic assessments of their abilities to meet the  
needs and expectations of tourism stakeholders and then act on these assessments so their goals and objectives can be  
achieved A new model for bridging stakeholder gaps is presented as a template for how communities can understand and  
make the most of their tourism resources The Bridging Tourism Gaps Model is a practical tool to help destinations focus on  
the important factors in developing and maintaining tourism as a beneficial and vital part of their communities This book  
builds on the success of *Tourism A Community Approach* and the subsequent tourism planning experiences of both authors to  
advance strategic planning in tourism **The Publishers' Trade List Annual** ,1985 **Marketing to the Poor**
