*Capsule Wardrobe* Beverly Morton, 2017-10-06. *Capsule Wardrobe: The Essential Guide on How to Find Personal Style and Create Amazing Capsule Wardrobe*. If you're looking to change up what's in your closet look through magazines. Explore parts of the store you don't usually look at. If you wear skinny jeans try a relaxed fit. If you wear dresses often try a blouse and skirt. Ask your friends why they like a certain piece or a certain designer or a certain brand. This is also a good chance to see if there's a style you might be missing. Our tastes can change as we age. Something to keep in mind while you work on defining your style and looking for inspiration is what you want your clothing to say about you. Each style has a definition and a preconceived stereotype that goes with it. For example the girly style is stereotypically full of pink lace and dresses. Sometimes all three in one piece of clothing. Simply because something fits the definition of one style almost word for word doesn't mean that it can't fit into another category too. This book will help you on capsule wardrobe. Thank you for downloading this book it is my sincere hope that it will answer your questions on Capsule Wardrobe.
