**Deal Breakers** DR. BETHANY MARSHALL, 2012-12-11 Deciding when to work on a relationship and when to walk away is a skill that can prevent us wasting months and even years of our lives on partners that will never make us truly happy Once we have learned to identify the deal breaker in a relationship we can empower ourselves to action and then change and improve our lives Whereas books like He s Just Not That Into You explored relationship troubles in black and white Deal Breakers covers all the shades of grey that lie in between all those areas where relationships can hit an impasse Some deal breakers are easy to identify one partner wants marriage the other doesn t yet many are more subtle and difficult to pinpoint Dr Bethany Marshall is a relationships expert She has identified specific male archetypes and the traits that frustrate and infuriate their partners Here for the first time in book form is advice that can help any woman who is trying too hard to make her relationship work

*Sexual Ethics and Problematic Consent* David Boonin, 2024-11-11 When it comes to sex no means no but yes doesn t always mean yes Cases where a person s yes to sex should be treated as a no are uncontroversial when they involve forms of coercion deception or

incompetence that clearly render their consent to sex invalid But between those cases where yes clearly means yes and those where yes clearly means no lie a variety of more problematic cases In this provocative and challenging book David Boonin considers what we should say about them Clear cases of coercion for example involve the threat of significant physical harm But what should we say about cases involving the threat of harms that are relatively insignificant or that involve no physical harm at all Impersonating someone's spouse to trick them into saying yes to sex is clearly very wrong but what about the more mundane kinds of lies people tell when they're trying to meet someone It's wrong to have sex with someone who says yes when they're so drunk they're about to pass out and not wrong if they say yes after having a few sips of beer What though should we say about the more difficult cases in the middle where it's genuinely unclear whether they've had too much to drink What's the most reasonable view about other forms of incompetent consent to sex like those involving young children elderly dementia patients or people born with severe and permanent cognitive impairments And what about cases of problematic sexual consent that don't involve coercion deception or incompetence at all Can a patient give valid consent to sex with their therapist Can the offer of a large amount of money in exchange for sex invalidate the sexual consent the offer elicits Boonin offers a variety of clear and at times surprising answers to these and other questions about unclear cases in an engaging discussion that should be of interest to students and scholars as well as to anyone else who is concerned with problematic sexual consent

The Deal Breaker Cat Carmine, 2018 Working for my ex boyfriend Sure But falling for him again

That's a deal breaker. Dancing around my office in my bra isn't exactly the way I'd have chosen to run into my ex for the first time in twelve years, but what can I say? Wes Lake has always had a knack for showing up at the most inopportune times. Unfortunately, he also has a knack for leaving. That's why I've made every effort to put him out of my head and my heart. But this time he needs my help. Wes Lake, head of Manhattan's preeminent real estate development firm, needs my tiny little marketing start-up to take on a special project at his company. The money's too good to turn down, so even though I'm leery of working for my ex, I accept. There's just one problem: I can't stop kissing him. I know better. I swear I do. But that doesn't stop my lips from being magnetically drawn to his every time we're in the same room. Can you blame me? He's gorgeous, wealthy, powerful, and he still remembers how to push all the right buttons. So to keep things professional, Wes and I strike another kind of deal: No kissing. No talking about the past. No seeing each other outside of work. Did I mention no kissing? Shouldn't be a problem, right? Except I might have underestimated Wes. Because when it comes to business or pleasure, he'll do anything to seal the deal. Even if it means breaking my heart in the process.

*Not Safe for Church* Dr. F. Douglas Powe Jr., Jasmine Smothers, 2015-01-06  
Congregations say they want to reach new and younger people, many of whom are simply turned off by church. The big idea is that congregations must be willing to embrace radical ways to connect with new generations. Rethinking old assumptions is a starting place, but more is needed. To really connect, congregations have to move beyond and start doing new things that are out of their comfort zones. These authors give ten ways to help you move from just saying what you intend to actually doing it. This book provides tools to help churches reframe the Good News in non-traditional ways and study questions for church leadership teams.

**The Deal Breakers** Zac Hansen, Jeffry Hiester, Stephen Funk, 2009-11-06  
We would like to take this opportunity to introduce you to what is known as the DEAL BREAKER. A deal breaker is a red flag put up by the girl early on in a relationship; this should also be a quick exit for the guy if he's smart. Deal breakers could be very small and minuscule, or they could be huge. Let me give a few quick examples: you meet a girl at a bar, it seems like a good connection, you go back to her place, and there is a dude in her bathroom shaving his chest. She says, "Oh, hey, that's my dad's friend, and he's cool with whatever." Guys, that is a deal breaker.

**I Can't Save Your Marriage, but You Can!** Norman Bishop, 2022-12-05

Don't blame your spouse, don't blame your children, don't blame your job, or your church. Blame yourself. In *I Can't Save Your Marriage, but You Can!*, author Pastor Norman Bishop offers a guide to help you refresh your marriage. It will also benefit those planning to get married to understand their roles as a husband and as a wife according to the word of God.
