Blog Video Bogel:

The Art of Strategic Listening Robert I. Berkman, 2008 Social media is the catch all name for blogs Web forums YouTube MySpace FaceBook and the other internet based sites where consumers converse and share content All of this unsolicited and authentic discussion and opinion can be a great source of marketplace insight for companies From paying close attention to consumer discussions on blogs and other social media you can discover what new products or product features consumers would like to see and stay alert to emerging trends in your industry that could create new opportunities for your company Robert Berkman an experienced information specialist with several books to his credit gives detailed directions for specialized blog searches setting up RSS feeds and tracking buzz He also provides detailed information about vendors who supply blog monitoring services and discusses the pros and cons of using vendors or doing it yourself For marketers public relations firms strategic business analysts and corporate planners this book gives you everything you need to know to begin finding market intelligence in social media You will learn to look for trends distinguish a trend from a fad and determine the credibility of the information you uncover Moreover Berkman provides you with tips on organizing all the information you find to help you sift through it locate just the valuable and relevant content and reduce information overload

Understanding Cybersecurity Technologies Abbas Moallem, 2021-12-14 Cyberattacks on enterprises government institutions and individuals are exponentially growing At the same time the number of companies both small and large offering all types of solutions has been increasing too Since companies rely on technological solutions to protect themselves against cyberattacks understanding and selecting the right solutions among those offered presents a significant challenge for professionals company executives and newcomers to the cybersecurity field FEATURES Presents descriptions for each type of cybersecurity technology and their specifications Explains applications usages and offers case studies to enhance comprehension Offers an easy to understand classification of existing cybersecurity technologies Provides an understanding of the technologies without getting lost in technical details Focuses on existing technologies used in different solutions without focusing on the companies that offer these technologies This book is intended to help all professionals new to cybersecurity students and experts to learn or educate their audiences on the foundations of the available solutions **Get**

Your Knee Off Our Necks Bruce E. Johansen, Adebowale Akande, 2022-01-04 The death of George Floyd on May 25 2020 and the ensuing trial of Derek Chauvin for murder a year later has rubbed raw the bloodiest stain on the United States history and its world reputation The nine minutes and 29 seconds during which Chauvin s knee crushed the spark of life out of Floyd was not unusual in the history of the United States Before the U S Civil War slaves were routinely beaten to death for disobeying orders or running away then often lynched In roughly two centuries Blacks have achieved nominal freedom But as this book s opening chapter and expert essays that follow indicate freedom has been conditional based on inequity of wealth social and legal discrimination None of this is new in the United States what is new is the number of people rising up

in protest a figure in the millions around the world after Floyd's murder This book supplies a readable scholarly account of recent issues in race and racism in the United States that will be useful for general readers undergraduate students and their professors It will be useful in many fields including Black studies other ethnic pursuits United States history law criminal justice intercultural communication et al The work contains a powerful historical narrative followed by several important essays on subjects including George Floyd's murder the rise of the Black Lives Matter movement and many other victims of systematic racism

End Times Peter Turchin, 2023-06-13 Peter Turchin brings science to history Some like it and some prefer their history plain But everyone needs to pay attention to the well informed convincing and terrifying analysis in this book Angus Deaton winner of the Nobel Prize in Economics From the pioneering co founder of cliodynamics the groundbreaking new interdisciplinary science of history a big picture explanation for America's civil strife and its possible endgames Peter Turchin one of the most interesting social scientists of our age has infused the study of history with approaches and insights from other fields for more than a quarter century End Times is the culmination of his work to understand what causes political communities to cohere and what causes them to fall apart as applied to the current turmoil within the United States Back in 2010 when Nature magazine asked leading scientists to provide a ten year forecast Turchin used his models to predict that America was in a spiral of social disintegration that would lead to a breakdown in the political order circa 2020 The years since have proved his prediction more and more accurate and End Times reveals why The lessons of world history are clear Turchin argues When the equilibrium between ruling elites and the majority tips too far in favor of elites political instability is all but inevitable As income inequality surges and prosperity flows disproportionately into the hands of the elites the common people suffer and society wide efforts to become an elite grow ever more frenzied He calls this process the wealth pump it's a world of the damned and the saved And since the number of such positions remains relatively fixed the overproduction of elites inevitably leads to frustrated elite aspirants who harness popular resentment to turn against the established order Turchin's models show that when this state has been reached societies become locked in a death spiral it's very hard to exit In America the wealth pump has been operating full blast for two generations As cliodynamics shows us our current cycle of elite overproduction and popular immiseration is far along the path to violent political rupture That is only one possible end time and the choice is up to us but the hour grows late

Ready or Knot? Scott Kedersha, 2019-02-05 A biblical step by step guide to the twelve conversations you need to have before you say I do Your wedding day is just one day in your life as a couple But God designed your marriage to last a lifetime So what can you do to prepare for a healthy successful marriage before you tie the knot Pastor Scott Kedersha has helped more than five thousand couples prepare for marriage In Ready or Knot he leads you through twelve essential conversations you and your significant other need to have so your marriage will be built on the right foundation including What is the point of marriage anyway How much does our faith really matter Who's in charge and what are our biblical roles How can we pursue emotional

intimacy What about kids With authentic stories from real couples about the decisions they made or wish they d made Scott asks the hard questions so you can break free from the watered down Hollywood version of marriage and build your lives together on the right foundation the unchanging Word of God [Public Relations in Times of Dissensus](#) Saima Kazmi,Joshua Foust,Burton St. John III,2026-02-05 Public relations are entering an era marked by increasing societal dissensus where shared narratives are breaking down and contentious communication defines the public sphere This edited volume argues that public relations must move beyond consensus seeking models to engage with dissent as a critical feature of modern communication **Naked Lens** Michael Sean Kaminsky,2010-01-22 Video Blogging is the powerful expressive tool that transforms the way we communicate Journaling is the time proven practice that ignites creativity and inspires change Naked Lens combines both and offers an exciting new experience of video journaling and life Original informative and brilliant Tristine Rainer Author of The New Diary Excellent and timely Gerald McCullouch Actor **Hands-On Guide to Video Blogging and Podcasting** Lionel Felix,Damien Stolarz,2013-05-02 For all of your video and audio blogging business and professional communication needs this book is it The Hands on Guide to Video Blogging and Podcasting provides tremendous value to those content publishers big and small that want to create syndicated video blog and podcast content The simplified plain talking break down the authors bring to the book will give everyone the tools to plan create and execute a blog podcast outlet This book explains these emerging media tools from a professional perspective Quickly learn the technical aspects of video blogging and podcasting along with their business and financial ramifications *Dewan masyarakat* ,2013 [Video Blogging](#) Shannon Nosley,2020-12-04 Video Blogging The Essential Guide On How You Can VLOG Your Way to Millions Discover the Ways on How You Can Profit From Your Own Video Blogs There has been an increase in popularity for video blogging in recent years but there are still some people who are not familiar with it Video blogging is the same as blogging but the message is communicated via a video instead of texts or words Video blogs or vlogs for short are gaining popularity because they are more engaging to their audience since it s in video format and it is also more mobile friendly It helps build connections with your viewers better than a traditional blog because they can see the face behind the content Once you re comfortable in the whole process of posting your video blogs you can start making money from them This book will teach you all the information you need about video blogging You will discover how to set up a video blog and how to create interesting content that will make your video blog profitable It will give you tips on how you can create your video blog that would make sure your audience would keep coming back for more In this book the following topics will be discussed What is Video Blogging Why You Should Start a Video Blog How to Start a Video Blog Profit From Your Video Blog Promoting Your Blog Things to Remember If you like the idea of blogging but dislike writing this can be a perfect medium for you Plus a lot of people now prefer watching vlogs than reading blog text so starting your own vlog is perfect timing now If you want to try video blogging but is not quite sure how to go about it this book is the perfect guide for you scroll up and click add to cart
