Notes on Hindu Law Navina-chandra De, 1893 **Hindu Mahasabha in Colonial North India, 1915-1930** Prabhu Bapu, 2012-12-12 Hindu nationalism has emerged as a political ideology represented by the Hindu Mahasabha This book explores the campaign for Hindu unity and organisation in the context of the Hindu Muslim conflict in colonial north India in the early twentieth century It argues that India's partition in 1947 was a result of the campaign and politics of the Hindu rightwing rather than the Islamist politics of the Muslim League alone The book explains that the Mahasabha articulated Hindu nationalist ideology as a means of constructing a distinct Hindu political identity and unity among the Hindus in conflict with the Muslims in the country It looks at the Mahasabha's ambivalence with the Indian National Congress due to an extreme ideological opposition and goes on to argue that the Mahasabha had its ideological focus on an anti Muslim antagonism rather than the anti British struggle for India's independence adding to the difficulties in the negotiations on Hindu Muslim representation in the country The book suggests that the Mahasabha had a limited class and regional base and was unable to generate much in the way of a mass movement of its own but developed a quasi military wing besides its involvement in a number of popular campaigns Bridging the gap in Indian historiography by focusing on the development and evolution of Hindu nationalism in its formative period this book is a useful study for students and scholars of Asian Studies and Political History **CAN AN ATHEIST BECOME A HINDU** Bhaskar chatterjee, 2025-11-07 [My Journey & Sovereign United Bengal](#) HP Roychoudhury, 2013-12 The main features of the book are outlined as follows 1 A little of the author's life under political situation of India 2 Did our political leaders want economic growth or power of the Delhi chair What is the function of Democracy under religious atmosphere in India 3 What was the status of Hindus now in Hindu Bengal and where is their future 4 Economic growth of India went down but Japan's went up why 5 Why did Indian leaders give importance to religion instead of economic growth 6 The wonder Taj 7 How does life prevail in India and in the neighboring countries of India It is also being remembered here by the two genius of the last century Prof S W Sudmerson a British fellow who dedicated his life in the service of teaching in a college of extreme northeast of India in the beginning of the twentieth century and Swami Vivekananda who had not only enlighten the world by his glorious speech on the religion of Hindu philosophy in Chicago but also had thought of the formation of the present existing India hundreds of years before Independence Is it one nation of one India of Vivekananda [Hindu Rashtra Darshan](#) Veer Savarkar, 2021-01-19 A Hindu to sum up the conclusions arrived at is he who looks upon the land that extends from Sindhu to Sindhu from the Indus to the seas as the land of his forefathers his pitrabhu who inherited the blood of that race whose first discernible source is traced to the Vedic Saptasindhus which on its onward march assimilated much that was incorporated and ennobling The Hindus who inherited and claimed as their own the culture of that race as expressed chiefly in their common classic language Sanskrit and represented by a common history a common literature art and architecture law and jurisprudence rites and rituals
