The Language of Lies Kirsty King, 2026-03-05 How can you tell if someone is lying to you? Is it possible to separate the truth from lies in what people say? And when should you trust what you hear? Everyone lies. We lie to our family, friends, colleagues, and strangers. But some lies are extremely damaging. They can destroy relationships, ruin lives, and create distrust and discord. These lies need to be detected. And they can be if we know how to listen out for them. Forensic linguist Dr. Kirsty King knows that as convincing as some liars might be, their lies can be exposed by paying close attention to the language they use. It is possible for us to detect whether someone is being deceptive by listening out for key linguistic indicators in the way that they speak and the things that they say. Drawing on research from forensic linguistics and psychology, this book presents real-life case studies and stories to show you how language can reveal the liars amongst us, from partners or colleagues misleading us to killers trying to get away with murder. *The Language of Lies* is an accessible toolkit that will help you decide whether to believe what you hear or not.

Love Cards Robert Camp, 1997 Through a revolutionary system of fortune telling, *Love Cards* reveals the secrets of your love life that are startlingly accurate and insightful, using just your birthdate and the birthdates of lovers, family, and friends.

God's Top Ten List Glen S. Martin, 1999-06 There are no absolutes. Absolutely. Many people in today's society believe that all truth is relative and that they have the final authority to choose for themselves what is right and wrong. But that's not what God says. According to the Bible, God is the final authority, and He has made clear how we are to live and what is right and wrong. In *God's Top Ten List*, Glen Martin takes an in-depth look at the Ten Commandments. He examines what God said and the reasons why He said it. God is not some sort of cosmic killjoy. Rather, He knows our hearts and minds because He made us. He knows how we operate. So God put together an instruction list that, if followed, provides for a full life and healthy and happy relationships. Learn more about your Maker and His loving plan for the people He created. Study each of the Ten Commandments to discover how they were designed to show us God's character and lead us to a rich and happy life. Follow the ten commandments given to Moses at Mt. Sinai so many years ago. You won't be disappointed.

Victim of Love? Tom Whiteman, Randy Petersen, 1998 *Victim of Love* examines unhealthy relationships and shows readers how to identify their danger signs so they can avoid repeating bad choices. For those looking for balance in their lives, this guide will help them find love that lasts.
