Literature Suppressed on Political Grounds Nicholas J. Karolides, Margaret Bald, 2014-05-14 Literature Suppressed on Religious Grounds Revised Edition profiles the censorship of many such essential works of literature The entries new to this edition include extensive coverage of the Harry Potter series which has been frequently banned in the United States on the grounds that it promotes witchcraft as well as entries on two popular textbook series *The Witches* by Roald Dahl *Women Without Men* A Novel of Modern Iran and more Also included are updates to such entries as *The Satanic Verses* by Salman Rushdie and *On the Origin of Species* by Charles Darwin **No Condition is Permanent** Holger G. Ehling, 2001 Includes articles interviews creative writing and book reviews *The Henry Louis Gates, Jr. Reader* Henry Louis Gates Jr, 2012-05-01 Educator writer critic intellectual film maker Henry Louis Gates Jr has been widely praised as being one of America s most prominent and prolific scholars In what will be an essential volume *The Henry Louis Gates Jr Reader* collects three decades of writings from his many fields of interest and expertise From his earliest work of literary historical excavation in 1982 through his current writings on the history and science of African American genealogy the essays collected here follow his path as historian theorist canon builder and cultural critic revealing a thinker of uncommon breadth whose work is uniformly guided by the drive to uncover and restore a history that has for too long been buried and denied An invaluable reference *The Henry Louis Gates Jr Reader* will be a singular reflection of one of our most gifted minds **Postcolonial Imaginations and Moral Representations in African Literature and Culture** Chielozona Eze, 2011-12-16 The postcolonial African culture as it is discoursed in the academia is largely influenced by Africa s response to colonialism To the degree that it is a response it is to considerably reactive and lacks forceful moral incentives for social critical consciousness and nation building Quite on the contrary it allows especially African political leaders to luxuriate in the delusions of moral rectitude imploring at will the evil of imperialism as a buffer to their disregard of their people This book acknowledges the social and psychological devastations of colonialism on the African world It however argues that the totality of African intellectual response to colonialism and Western imperialism is equally if not more damaging to the African world In what ways does the average African leader indeed the average African judge and respond to his world How does he conceive of his responsibility towards his community and society The most obvious impact of African response to colonialism is the implicit search for a pristine innocent paradigm in for instance literary philosophical social political and gender studies This search has its own moral implication in the sense that it makes the taking of responsibility on individual and social level highly difficult Focusing on the moral impact of responses to colonialism in Africa and the African Diaspora this book analyzes the various manifestations of delusions of moral innocence that has held the African leadership from the onerous task of bearing responsibility for their countries it argues that one of the ways to recast the African leaders responsibility towards Africa is to

let go on the one hand the gaze of the West and on the other of the search for the innocent African experience and cultures Relying on the insights of thinkers such as Frantz Fanon Wole Soyinka Kwame Anthony Appiah Achille Mbembe and Wolfgang Iser this book suggests new approaches to interpreting African experiences It discusses select African works of fiction as a paradigm for new interpretations of African experiences The Postcolonial African Genocide Novel Chigbo Arthur Anyaduba,2021-10-01 An Open Access edition of this book is available on the Liverpool University Press website and through Knowledge Unlatched In The Postcolonial African Genocide Novel Chigbo Anyaduba examines fictional responses to mass atrocities occurring in postcolonial Africa Through a comparative reading of novels responding to the genocides of the Igbo in Nigeria 1966 1970 and the Tutsi in Rwanda 1990 1994 the book underscores the ways that literary encounters with genocides in Africa s postcolonies have attempted to reimagine the conditions giving rise to exterminatory forms of mass violence The book concretizes and troubles one of the apparent truisms of genocide studies especially in the context of imaginative literature that the reality of genocide more often than not resists meaningfulness Particularly given the centrality of this truism to artistic responses to the Holocaust and to genocides more generally Anyaduba tracks the astonishing range of meanings drawn by writers at a series of temporal spatial historical cultural and other removes from the realities of genocide in Africa s postcolonies a set of meanings that are often highly specific and irreducible to maxims or foundational cases The book shows that in the artistic projects to construct meanings against genocide s nihilism writers of African genocides deploy tropes that while significantly oriented to African concerns are equally shaped by the representational conventions and practices associated with the legacies of the Holocaust
