Billy Budd Sailor:

Billy Budd, Sailor, and Other Stories Herman Melville, 2006-08-29 If Melville had never written *Moby Dick* his place in world literature would be assured by his short tales *Billy Budd Sailor* his last work is the masterpiece in which he delivers the final summation in his quarrel with God It is a brilliant study of the tragic clash between social authority and individual freedom human justice and abstract good Melville also explores this theme in *Bartelby the Scrivener* his famous story about a Wall Street law clerk who takes passive resistance to a comic and ultimately disastrous extreme and in *Benito Cereno* his dazzling account of oppression and rebellion on a nineteenth century slave ship Completing this collection of great tales are the eerie *The Encantados* the beautiful romantic *The Piazza* and Melville's chilling science fiction parable *The Bell Tower*

Billy Budd Herman Melville, 2020-03-17 A young sailor in the eighteenth century Royal Navy is falsely accused of mutiny in this classic tale of good and evil by the celebrated author of *Moby Dick* England 1797 *Billy Budd* a young sailor aboard the merchant ship *Rights of Man* is conscripted to serve on a Royal Navy warship the *HMS Bellipotent* Innocent and charming despite his stutter Billy is quickly accepted by the crew and resented by the ship's brooding master at arms John Claggart When Claggart accuses Billy of conspiracy to mutiny the false charge sets the young innocent on an inescapable path toward tragedy Herman Melville's final novel *Billy Budd* was first published in 1924 more than thirty years after the author's death A tale of virtue caught in the machinery of law and wartime vigilance this American classic has been adapted for both stage and screen and remains one of Melville's most beloved works *Billy Budd, Sailor and Selected Tales* Herman Melville, 2009-02-26 Truth uncompromisingly told will always have its ragged edges So wrote Melville of *Billy Budd Sailor* among the greatest of his works and in its richness and ambiguity among the most problematic As the critic E L Grant Watson writes In this short history of the impressment and hanging of a handsome sailor boy are to be discovered problems as profound as those which puzzle us in the pages of the Gospels Outwardly a compelling narrative of events aboard a British man of war during the turmoil of the Napoleonic Wars *Billy Budd Sailor* is a nautical recasting of the Fall a parable of good and evil a meditation on justice and political governance and a searching portrait of three extraordinary men The passion it has aroused in its readers over the years is a measure of how deeply it addresses some of the fundamental questions of experience that every age must reexamine for itself The selection in this volume represents the best of Melville's shorter fiction and uses the most authoritative texts The eight shorter tales included here were composed during Melville's years as a magazine writer in the mid 1850s and establish him along with Hawthorne and Poe as the greatest American story writer of his age Several of the tales *Bartelby the Scrivener* *Benito Cereno* *The Encantados* *The Paradise of Bachelors* and *The Tartarus of Maids* are acknowledged masterpieces of their genres All show Melville a master of irony point of view and tone whose fables ripple out in nearly endless circles of meaning ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to
