The Heart of Black Preaching Cleophus James LaRue, 2000-01-01 LaRue provides important insights on why black preaching is strong and active and connects with the real life experiences of listeners Christian **Black Preaching** Henry H. Mitchell, 1990 Henry H Mitchell has completely revised and integrated his popular books *The Recovery of Preaching* and *Black Preaching* for seminarians and pastors both Black and White who are seeking to add power and vision to their sermons Mitchell persuasively demonstrates that Black culture and preaching style are vital for the empowerment of Black congregations and have much to offer the preaching method of all preachers By focusing on the use of storytelling imagination and style of preaching rooted in African American culture Mitchell spotlights effective techniques for lively preaching *The Heart of Black Preaching* Cleophus J. LaRue, 1999-11-01 Cleophus LaRue argues that the extraordinary character of black preaching derives from a distinctive biblical hermeneutic that views God as involved in practical ways in the lives of African Americans This hermeneutic he believes has remained constant since the days of slavery LaRue analyzes the distinct characteristics of African American preaching and brings the insights of both theory and practice to bear on this important subject matter *The Spirituality of Black Preaching* Lewis Bogdon, 2016-03-28 As a scholar of the Bible and the Black Church Brogdon seeks to help young African American preachers effectively integrate biblical studies and homiletics integrate in ways that deepen sermons stimulates faith in the context of worship and strengthen churches as they seek to give witness to the gospel of Jesus Christ He seeks to provide the hundreds and thousands of African American ministers who will never attend seminary or a university yet will touch hundreds and thousands of lives with the resources they need for effective life changing preaching *Black Preaching*, 1979 Transcripts of representative sermons are used to illustrate an appraisal of the language and style of the Black preaching tradition **Interpreting God's Word in Black Preaching** Warren H. Stewart, 1984 To assist the preacher with the task of interpreting and communicating the Word so that it will be relevant and understood by the congregation Dr Stewart presents a well defined five point study of the hermeneutical process *Voices in the Wilderness* John L. Thomas Jr., 2018-01-30 FINALLY a scholarly description of the development of Black preaching in the United States that is accessible to the average reader but also contributes to the academic conversation about both style and theological content Written from the perspective of a seasoned practitioner and tenured practical theologian Thomas surveys Black preaching as it has responded to various social and historical time periods Starting with the brutality of chattel slavery early formations in segregated Southern life rapid migration to and urbanization in Northern cities and various events throughout the post civil rights era the book gives convincing details and examples of how the Black preacher helped to guide and sustain the masses of African American people through the wilderness of social change At the heart of the book three prime examples are presented as models of the real genius of Black preaching The reader will never again think about Reverend Martin Luther King Jr Malcolm X and the Reverend Jesse Jackson in the same

way A special chapter is devoted to the contributions of Black women preachers along with a closing chapter that makes new proposals for the future The book is a provocative and critical analysis of why Black preaching still matters Introduction to the Practice of African American Preaching Frank A. Thomas,2016-11-15 The Introduction to African American Preaching is an important groundbreaking book This book acknowledges African American preaching as an academic discipline and invites all students and preachers into a scholarly dynamic and useful exploration of the topic Author Frank Thomas opens with a bus tour study of African American preaching He shows how African American preaching has gradually moved from an almost exclusively oral to an oral written tradition Readers will gain insight into the history of the study of the African American preaching tradition and catch the author s enthusiasm for it Next Thomas traces the relationship between homiletics and rhetoric in Western preaching demonstrating how African American preaching is inherently theological and rhetorical He then explores the question what is black preaching Thomas introduces the reader to methods of close reading and ideological criticism And then demonstrates how to use these methods using a sermon by Gardner Calvin Taylor as his example The next chapter considers the question what is excellence in black preaching The next chapter seeks to create bridges and dialogue within the field of homiletics and in particular the Euro American homiletic tradition The goal of this chapter is to clearly demonstrate connections between the African American preaching tradition and the field of homiletics Thomas next turns to questions about the relevancy of the church to the Millennial generation Specifically how will the African American church remain relevant to this generation which is so deeply concerned with social justice **Black United Methodists Preach!** Dr. Gennifer Benjamin Brooks,Gregory V. Curry,2012-03-01 What accounts for the spiritual power and vitality of black preaching What are the distinctive contributions of black preaching to the life of The United Methodist Church How must black preaching evolve if it is to rise to the new challenges facing the UMC Fifteen distinguished preachers from across the connection answer these and other questions in this important and illuminating volume Gennifer Benjamin Brooks not only edits this collect she also shares one of her own sermons along with the sermons of the following fourteen other preachers Rose Booker Jones Leo W Curry Safiyah Fosua Telley Lynette Gadson Linda Lee Pamela R Lightsey Okitakoyi Lundula Tracy S Malone Gregory Palmer Vance P Ross Robert O Simpson Rodney P Smothers James E Swanson Sr and Dorothy Watson Tatem **The Black Preacher in America** Charles V. Hamilton,1972 From Nat Turner to Malcolm X Martin Luther King Jr and Jesse Jackson from the rural South to the Northern ghetto black ministers have always been the leaders of their people Here is the first in depth portrait of black America s preachers k from the least known to the most influential Their story begins in the time of slavery and ends with their fears and hopes for the future It is told by a distinguished professor who with Stokely Carmichael wrote Black Power *Power in the Pulpit* Cleophus James LaRue,2002-01-01 In this book scholar

and preacher Cleophus J LaRue brings together the voices of twelve of America s most influential African American preachers Each of these renowned preachers describes his or her method of sermon preparation and includes a sample sermon for illustration An excellent how to manual for pastors and students Power in the Pulpit is both sage wisdom on the art of preaching and an inspiring look at some of the most prominent figures in the black church [This is My Story](#)

Cleophus James LaRue,2005-01-01 African American women continue to confess their call to ministry even when they know such a confession may cause them to face criticism and even ostracism from many of the same men and women who nurtured them in the faith In This Is My Story thirteen successful African American women clergy tell the powerful inspirational and sometimes heartbreaking stories of their calls and ministerial journeys which they experienced in the midst of anguish uncertainty and in many cases unfriendly leadership environments Each of the women includes a sermon of particular importance to her **John Black** George Bryce,1898 [Teaching Preaching](#) Katie Geneva Cannon,2007-10-15 If you ain t got no proposition you ain t got no sermon neither This was the battle cry of Isaac Rufus Clark one of the most influential and colorful professors of homiletics in the black church in the twentieth century Clark taught at the Interdenominational Theological Center in Atlanta for twenty seven years 1962 1989 In Teaching Preaching Katie Cannon one of Clark s myriad preaching prot g s conceives her role as purely presentational to bring Clark face to face with a reading audience allow him to explain the formal elements of preaching from the inside out Teaching Preaching is an invaluable resource for ministers who struggle from Sunday to Sunday to find their ethical voice in the preparation of each and every sermon [I Believe I'll Testify](#) Cleophus J. Larue,2011-01-01 Cleo LaRue is one of the best loved preachers and writers about preaching In past volumes he has brought together great collections of African American preaching to showcase the best preaching from across the country Here he offers his own insights into what makes for great preaching Filled with telling anecdotes LaRue s book recognizes that while great preaching comes from somewhere it also must go somewhere so preachers need to use the most artful language to send the Word on its journey *Preaching in Ebony* ,1981 *Rethinking Celebration* Cleophus J. LaRue,2016-08-01 This book is a clarion call for African American preachers to think more deeply about the aims and ends of their preachingnamely to stop putting so much emphasis on celebratory endings to our sermons and focus more on the substantive content in our sermons Our so called celebratory preaching designed to excite the congregation into action through a highly emotional closing of the sermon has had the opposite effect Rather than inducing action it has lulled generations of black congregants to sleep While we are jumping up and down shouting and waving our hands in the air every Sunday during the worship hour we seem not to notice the growing number of churched and unchurched alike who are becoming powerfully alienated from any form of institutional religion from the introduction Celebration is a term that has long been used to describe African American preaching characterized by content that affirms the goodness and powerful intervention of God as well as style that builds from quiet beginnings to an emotionally rich crescendo in conclusion Cleophus

J LaRue argues that while celebration is one of African American preaching's greatest gifts to the larger church too many black preachers have become content with the form of celebration volume vocabulary pitch speed rhythm and the like to the neglect of its essence the proclamation of the mighty acts of God in the lives of their congregations and communities This kind of preaching LaRue contends fails to address the ongoing problems of the African American community and is powerless to prevent the growing disaffection of black America with the black church In words both prophetic and practical LaRue suggests ways to improve black preaching that honor both the form and the power of the African American homiletical practice of celebration Preachers will learn how to use celebration more selectively and as part of a fully formed preaching practice rather than as a means of distracting the congregation from pressing social and theological questions The book includes six illustrative sermons from LaRue as well as Paschal Sampson Wilkinson Sr Brian K Blount and Claudette Anderson Copeland *Rite is Right, etc* William Wyndham MALET, 1876 *Methodism in Canada* Alexander Sutherland, 1904 Memorials of the Right Reverend Charles Pettit McIlvaine Charles Pettit McIlvaine, 1882
