Capsule Wardrobe The Essential Guide on How to Find Personal Style and Create Amazing Capsule Wardrobe If you re looking to change up what s in your closet look through magazines

Explore parts of the store you don t usually look at

If you wear skinny jeans try a relaxed fit

If you wear dresses often try a blouse and skirt

Ask your friends why they like a certain piece or a certain designer or a certain brand

This is also a good chance to see if there s a style you might be missing

our tastes can change as we age

Something to keep in mind while you work on defining your style and looking for inspiration is what you want your clothing to say about you

Each style has a definition and a preconceived stereotype that goes with it

For example the girly style is stereotypically full of pink lace and dresses

Sometimes all three in one piece of clothing

Simply because something fits the definition of one style almost word for word doesn t mean that it can t fit into another category too

This book will help you on capsule wardrobe

Thank you for downloading this book it is my sincere hope that it will answer your questions on Capsule Wardrobe
