[7 Figure Marketing Blueprint](#) Nicole Munoz, 2013-01-02. Keywords are the main attraction to your website. When most people come online, they instantly go to a search engine, which is usually Google. What these people search for is what they want to know and buy. Being able to set up your website to appear to these searchers is the secret to success online. Keywords are much more complicated to understand than you might believe. Many people choose the wrong keywords, and then they wonder why their websites aren't receiving the conversion they thought they should be getting with the amount of traffic coming to their website. The answer to this is that the keywords may not be the right ones. Finding the right keywords for the customers that are most likely to buy from you is the way that you can start boosting your conversion rates, and we can help you find them.

How Start Ranking Now Can Help Your Keyword Research. Nicole Munoz, the author of this module, started her business by ranking #1 for her desired keywords for seven straight years. She found out the secret to keyword research and built a business to teach others how to do the same. Now she has compiled all of her tricks into one easy-to-read module. You'll learn all you need to find the keywords your customers search for and how to optimize your website so your customers find it. This is what you could learn from buying Module 4: Keyword Research. Learn how keywords affect your ranking. Get five tips on how to choose keywords. Learn the three-step process in using the best keyword search tools to compile the best ones for your website. Find out what the best tools are for keyword research. Learn how to use each of the tools with a full tutorial on only what you need to know when seeking out your competitors' keywords and others to outrank them. Understand what organic listings are and how they can boost your ranking and click-through rate.
