Pinter in Play Susan Hollis Merritt, 1990 Pinter in Play provides a survey of diverse readings of the Harold Pinter canon organized around and presented in terms of the major critical schools of the past twenty five years from New Criticism to deconstruction to poststructuralism Reflecting on the cultural personal sociological and philosophical contexts of these diverse critical perspectives and the critics who express them this book is equally about the act or the art of literary criticism and itself an important work of literary criticism Drawing on interviews with Pinter scholars Susan Hollis Merritt shows how critics play with Pinter and thereby seriously enforce personal professional and political affiliations Cutting across traditional academic and nonacademic boundaries Merritt argues that greater cooperation and collaboration among critics can resolve conflicts promote greater social equity and foster ameliorative critical and cultural change **Modern Drama Scholarship and Criticism 1981-1990** Charles A. Carpenter, 1997 A selective list of publications for the period offering some 25 200 entries no annotations arranged by nationality and linguistic groups Most entries concern literary currents in drama since the last third of the 19th century playwrights who lived at least part of their lives in the 20th century noted directors and performance theory For students and scholars of modern dramatic literature While annual supplements of recent publications appear in the journal Modern Drama new compilers took a publication date of 1991 as their starting point for listings leaving some 2 000 items collected after 1992 appearing only in this volume Annotation copyrighted by Book News Inc Portland OR **Harold Pinter and the New British Theatre** D. Keith Peacock, 1997-09-30 Harold Pinter is universally described as Britain's leading dramatist This book evaluates the justification for this appellation It examines his work in relation to changes taking place in the New British Theatre after the so called theatrical revolution of 1956 and draws attention to those autobiographical experiences that have been transmuted into his art Beginning with a look at the nature of British theatre prior to 1956 Peacock then describes Pinter's early life in the East End of London his career as an actor and his early writing The discussion follows Pinter's life and work from *The Room R* in 1957 to his most recent play *Ashes to Ashes* in 1996 The author argues that although Pinter has not instigated an aesthetic revolution he has more significantly through his representation of human behavior provoked a new way of viewing the world **Punch** Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1984
