Subject: project engineer recommendation letter

Dear Mr. Anthony

I proudly recommend Mr. Timothy Anderson for the very sought after position of a project engineer at your telecommunications company with the hope that you will consider this recommendation. I have known Mr. Anderson in the capacity of his employer for 5 long years and have found him to be a great team worker with excellent aptitude for telecommunication engineering.

I make this recommendation with the confidence that you won't be disappointed by making this appointment. Mr. Anderson impressed everyone at York Solutions, the company that I preside over and kept upgrading his knowledge and skill base with passing time, becoming a better engineer every day.]
