

Question 2:

Why it is considered desirable to make the partnership agreement in writing.

ANSWER:

Partnership agreement may be oral or written. It is not compulsory to form partnership agreement in writing under the Partnership Act, 1932. However, written partnership deed is desirable than oral agreement as it helps in avoiding disputes and misunderstandings among the partners. Also, it helps in settling disputes (as the case may be) among the partners, as written partnership deed can be referred to anytime. If written partnership deed is duly signed and registered under Partnership Act, then it can be used as evidence in the court of law.

Question 3:

List the items which may be debited or credited in the capital accounts of the partners when:

- (i) Capitals are fixed
- (ii) Capitals are fluctuating

ANSWER:

- (i) When Capitals are fixed

The following items are credited in the Partner's Capital Account when capital accounts are fixed.

- (a) Opening balance of capital
- (b) Additional capital introduced during an accounting year
