[Jewish Love Magic](#) Ortal-Paz Saar,2017-08-28 Jewish Love Magic From Late Antiquity to the Middle Ages is the first monograph dedicated to the supernatural methods employed by Jews in order to generate love grace or hate Examining hundreds of manuscripts often unpublished Ortal Paz Saar skillfully illuminates a major aspect of the Jewish magical tradition The book explores rituals spells and important motifs of Jewish love magic repeatedly comparing them to the Graeco Roman and

Christian traditions In addition to recipes and amulets in Hebrew Aramaic and Judaeo Arabic primarily originating in the Cairo Genizah also rabbinic sources and responsa are analysed resulting in a comprehensive and fascinating picture Due to the general neglect of the topic in previous scholarship the richness of the research corpus and the scientific precision of the author Saar s Jewish Love Magic is an important volume that should be on the shelf of every scholar focusing on ancient Jewish magic but also on Jewish culture and cultural history in general Furthermore the book is an enjoyable read also for a non specialist audience thanks to its clarity and fluency Alessia Belusci Yale University in Journal of Semitic Studies 64 2 2019 This is a valuable foray into the relationship between institutionalised religion and magic and the complex question of legitimacy Overall the book presents a compelling case for the existence of Jewish love magic Ann Jeffers Journal for the Study of the Old Testament 43 5 2019

Strong,1992 This collection of eight case studies of American foreign policy decisions made between 1945 and 1990 stresses the role of the president in these decisions **Folklore** ,2003 Wicca Elemental Magic Lisa Chamberlain,2014-10-22 Everything You Need to Know About Working with the Magic of the Elements For thousands of years our ancestors believed that the Elements Earth Air Fire and Water were the building blocks of the Universe and their inherent properties and energies could be directed to manifest particular outcomes This belief grew and evolved over time as part of the Western Mystery Tradition a body of beliefs that has had significant influence on the dynamic nature based religion known as Wicca Through ritual and magic Wiccans interact with the primal forces of the Elements in a variety of ways calling upon them for assistance in the transformation of their realities just as the earliest shamans did in the ancient world You may already be aware of some aspects of how the Elements figure into Wiccan practice For example you may know that each is represented by different ritual tools the pentacle for Earth the wand for Air the cup for Water and the athame for Fire But did you know that the psychic energies of each Element are found within each and every person on the planet Or that by connecting spiritually with a particular Element you can help address an imbalance in your life And let s not forget the all important Fifth Element known in many traditions as Akasha or simply Spirit which contains the other four and yet is an Element in its own right But if all of the above is news to you don t worry it really doesn t matter how much you ve learned so far about Wicca or the Elements Elemental Magic was created for both beginners and more experienced Witches alike In this guide best selling author Lisa Chamberlain covers it all the basics of incorporating the Elements into your rituals as well as less often discussed topics like animism Elemental personalities and using these forces of nature to help you enhance your magical perception Indeed as you will see an Element centered practice is a rich and rewarding way to deepen your connection to the Goddess and God to Nature the Universe or whatever terms your particular belief system ascribes to the power of All That Is Foundations of Elemental Magic In order to truly grasp the underlying concepts behind working with the Elements it s important to learn how these components Earth Air Fire Water and Spirit came to be defined in Western magical traditions

You'll also need a close look at each individual Element to understand its inherent properties and its potential to transform your magical practice. You'll find all of this in *Elemental Magic* and much more. Our earliest civilizations' understandings of the Elements and their relationship to magic. How recent scientific observations reflect these ancient concepts. The core magical properties of each Element: Earth, Air, Fire, Water, and Spirit, and how we are personally influenced by these energies. Ways of attuning with individual Elements for enhanced living and magical practice. Elemental relationships with deities, elemental beings, and spirit animals. An overview of Wiccan ritual with a focus on the Elements, including altar layout, casting the circle, and calling the quarters. Techniques and magical practices for working with individual Elements. Spells, rituals, and charms focused on each individual Element. In addition, you'll find tables of correspondence covering the magical properties of each Element, as well as associated colors, spell ingredients, ritual tools, and more. At the end of the guide, *Elemental Magic* will be a treasured reference, magical guide, and springboard for you to make your own discoveries about the power of the Elements and the magic they have to offer. Hastedt,2008 The Bush Presidencies represent a unique historical challenge for historians and political scientists alike Not since John Adams and his son John Quincy Adams has the nation been led by father and son presidents The Bushes are different from the Adamases John Adams and John Quincy Adams ruled a good twenty four years apart with John Quincy assuming the presidency in 1824 after a controversial election that was settled by the House of Representatives Although John Quincy did not receive a majority of popular votes or a majority of elector votes he assumed the presidency due to the influence of the House He was soundly defeated by Andrew Jackson four years later In contradistinction to John Quincy Adams George W Bush was declared the electoral vote winner in the 2000 presidential election after a bitter contested election settled in large measure by the Supreme Court decision Bush v Gore Unlike John Quincy George W Bush won a second term albeit by the smallest margin in history 1 George H W Bush was not successful in his re election quest while John Adams was in his Psychological insinuations and theories are more rampant today affecting the analysis of the Bush presidencies unlike the Adams presidencies However the Bush presidencies present opportunities for comparing and contrasting father and son presidencies governing within eight years of each other In addition the son governs as the father watches This new and significant book is dedicated to comparing and contrasting this father and son combination The response to our call has been quite fruitful There seems to be a conventional wisdom developing about this father and son relationship It seems to emphasise differences between the father and son These differences are largely due to the different approaches that father and son took towards Iraq Thus it has been observed that the father is a bit disappointed in the son for the path taken in Iraq George H W Bush is concerned for and worries about his son Our authors find not only differences but great similarities between both presidents This is as one might expect given blood lines environmental upbringing family ties education and other variables affecting these individuals The analysis here both adds to and contradicts the conventional wisdom view of the Bushes Our authors present a first attempt at analysing this unique relationship in various policy areas The authors believe that this relationship will provide future scholars with many research questions concerning the nature of the presidency *Leininger's Transcultural Nursing: Concepts, Theories, Research & Practice, Fourth Edition* Marilyn R. **The Enemy Within** Kenneth J. Jones,1990 Just after midnight on December 20 1989 the U S launched a massive attack on the tiny Republic of Panama or more correctly on her dictator Gen Manuel Antonio Noriega and his army The story of the invasion and the events leading up to it is laced with international intrigue dirty deeds abuse of power Latin American political strife and has a cast of characters even featuring a Brazilian witch who escaped from the clutches of U S soldiers This book is a factual and pictorial account of events which had they been presented in the form of a novel would scarcely have been believable In order to understand why the U S A invaded Panama s sovereign territory causing severe loss of life and risking international censure it is necessary to trace Panama s history from the Republic in 1903 It is clear that Uncle Sam apart from an undeniable responsibility for paternity has always maintained his role of disciplinarian over the problematic republic Uncle Sam was negligent in recent years however and had allowed his own secret agent Manuel Noriega to rise to dictatorship of Panama Using his army the Panama Defense Forces beefed up by U S funds and backed by corrupt local politicians Noriega browbeat his opposition and thumbed his nose at the U S finally instructing his compliant assembly to declare itself at war with the U S A The U S responded in a dramatic fashion and achieved all their objectives including the hide of General Noriega who has been tried and convicted in Florida on drug trafficking charges U S soldiers probing Noriega s military lairs and opulent homes uncovered illuminating facets of his character his megalomania and his predilection for the dark forces of the occult
