The image shows a screenshot of an AI-powered writing assistant interface. At the top, there's a header with a globe icon and the text "AI Writing Co". Below this, a text editor contains the following text:

What is the difference between a home's appraised and market value?

Market value is the price that the average buyer is willing to pay for a property and is a subjective number.

Appraised value refers to the objective value of a home assigned by a licensed appraiser.

These numbers should be similar, but if not, you can contest.

Appraised value is a measure of market for a second opinion.

Surrounding the text editor are several tone filter buttons, each with a smiley face icon: Funny, No filter, Shocking, Inspiring, Assertive, Engaging, and Functional. The "Inspiring" button is highlighted in blue. On the left side, there are two additional filters: "Cohesive" (with a red icon) and "Balanced" (with a grey icon).
