Remote and Roaming

Remote and Roaming Mari Toivanen, 2025-09-16 Remote and Roaming explores the practices meanings and politics of digital nomadism through extensive ethnographic fieldwork conducted across the globe Digital nomads represent a growing class of highly mobile professionals whose work is location independent and who combine continuous travel with remote work Based on rich empirical material the book examines digital nomads accounts of their mobile lifestyles and addresses key questions such as why do individuals choose this way of life What does their everyday routine entail And how do they navigate social relationships family and community life By situating digital nomadism within broader patterns of remote work this volume highlights the societal and global transformations currently unfolding in relation to employment mobility and digitalisation and their implications for both social and professional life As an early manifestation of growing international remote work mobilities digital nomadism reflects the evolving nature of work in late capitalist societies and the emergence of

transnational lifestyle mobilities shaped by the COVID 19 pandemic *Nation and Place Branding* Jose Filipe Torres,Recep Richie Karaburun,2026-01-01 In an age of global competition where cities regions and countries vie for investment talent tourism and influence this textbook offers a comprehensive roadmap to building strong credible and resilient place brands Moving far beyond logos and slogans it introduces a practical policy driven approach grounded in strategy governance and authenticity Drawing on over two decades of real world experience with place branding clients across continents the authors present a rich mix of theory frameworks and case studies from Stockholm to Tulsa to Australia making this book an indispensable guide for students and professionals alike Through the lens of the proven 14 Steps to Nation and Place Branding framework readers are guided through every stage of building a place brand from laying the foundations and engaging stakeholders to shaping digital identity and managing reputational risk The book delves into essential marketing principles like segmentation positioning and integrated communication while also addressing complex political realities governance challenges and the growing role of digital platforms AI and user generated content in shaping perceptions Whether you re a university student studying destination branding placemaking or event management or a professional working in tourism economic development public diplomacy or destination marketing this textbook provides the tools to build impactful brands rooted in place powered by people and aligned with long term national goals Written with both academic and practitioner audiences in mind it is an essential resource for undergraduate and graduate courses as well as a must have guide for instructors and professionals seeking to shape how the world sees and experiences their place *Home In Mexico* Xena Mindhurst,AI,2025-01-08 Home in Mexico offers a meticulous examination of expatriate living in Mexico combining thorough research with practical guidance for those considering relocation The book uniquely bridges the gap between academic analysis and real world application focusing on three crucial aspects economic considerations healthcare systems and social integration Through a blend of statistical data and firsthand accounts it provides readers with a comprehensive understanding of what life in Mexico truly entails from coastal communities to urban centers The book progresses systematically through practical considerations beginning with detailed cost of living analyses across various regions and extending to in depth explorations of Mexico s dual healthcare system What sets this work apart is its evidence based approach to cultural adaptation featuring comparative analyses between different Mexican regions and other popular expatriate destinations Readers gain valuable insights into Mexican social structures and community dynamics supported by real world examples of successful transitions and practical checklists for pre move planning This well structured guide maintains objectivity while addressing current debates about healthcare access property regulations and the impact of growing expatriate communities Rather than focusing on volatile specifics like exact prices it provides frameworks for decision making that remain relevant despite market changes The book serves both immediate practical needs and long term integration strategies making it an invaluable resource for retirees professionals and anyone contemplating a move to Mexico

Goodbye Office, Hello World! Find Freedom, Work From Anywhere and Travel the World Tim Roberts, 2022-10-19 You don't have to follow the path set by others. With Tim's help, you can create the life of adventure you deserve. This book will show you the way, but you'll have to take the first step. The world is waiting. Jeff Goins, bestselling author of *The Art of Work*. If your goal is to explore the world while working, learning, and growing, this book is essential reading. Robert Gerrish, Founder of Flying Solo, Author of *The 1 Minute Commute*, presenter, podcaster. In the new work from anywhere economy, today's workforce demands more flexibility, freedom, and financial stability. The combination of technology and the roll-on effects of the pandemic has shifted the power from the corporation to the individual. If you can't get the outcome you desire, you need to acquire the right freelance and digital skills so you can. This book shows you how. In just a few years, Tim went from working a dead-end full-time office job to becoming location-independent, all self-taught online for little money. As a result, he gained newfound freedom and zest for life. Becoming a digital nomad meant Tim could travel the world sustainably and swap the office for the shade of a palm tree, but he couldn't have done it without assistance from the gig and sharing economies. Written in an honest, down-to-earth style, *Goodbye Office Hello World* empowers you to gain better work/lifestyle balance, integration, by becoming location-independent and free to travel the world. You only live once, so start living. *Goodbye Office Hello World* teaches you how to be a digital nomad with no skills by leveraging the gig economy. How to find freedom as a location-independent freelancer online. All the countries offering a digital nomad visa. How to develop the right mindset and overcome imposter syndrome. How to work remotely like a pro and travel the world. How to use the sharing economy and reward points to sustain travel. How to land that perfect work from anywhere job. The role of cryptocurrency in the future of work, freelancing, and nomad life. And a whole lot more. You're only one decision away from altering the course of your life for the better. Let reading this book be that decision.
