
TOEFL IBT SPEAKING - Sample

1. Describe a book that you believe is the most useful to you. Please explain the reason and include specific examples and details in your explanation. - answer 1. The most important book for me is my undergraduate major textbook which is called marketing. Because as we all know that marketing is a kind of major which cuts across the boundaries of many different disciplines, so it broadens my knowledge scope, such as the aspects of advertising and trade. On the other hand, well, a plenty of cases are included in this book, in addition, many definitions can explained very acceptable so it definitely helps me to get a deeply understanding of my major.

2. Which of the following statements do you agree with? Please give specific reasons for your opinion. Some believe that TV programs have a positive influence on modern society. Others, however, think that the influence of TV programs is negative. - answer 2. As far as I am concerned, television has more positive effects towards the modern society than its negative sides. First, from the news broadcasting in the television, we can know what is happening in the outside world even without stepping out our living room with television in it. And second, watching television with family members after supper is a good way to relax after a hard day's work. What's more, its visual effect makes people feel less stressed and has a great influence on the way people think and talk.

3. Describe the most important decision that you have made in your life. Why was it important to you? Use specific examples and details to support your explanation. - answer 3. Describe the most important decision that you made in your life. Personally speaking, the most important decision that I have made in my life is to choose marketing as my major in university, as we all know that marketing is a kind of major which cuts across the boundaries of many different disciplines, so in order to learn it well, I have to learn various subjects such as international trade and brand management. What's more, I'm little timidly in front of challenges such as doing the presentation and negotiation, I guess most of the people may have this kind of stage fright. So marketing is a major can definitely anneal myself. During the studies in university, I learned hard and practiced as much as I could. Finally, I got the highest GPA in my grade.

4. Some people believe that the high school should teach music and art as other basic science. Some people think that providing music and art education for high school students is not necessary. What is your opinion and why? - answer 4. Do you think the high school should teach music and art as other basic science? I bet no one could deny that the main responsibility of a high school is to help its students develop various abilities not only the academic abilities. In other words, music and art should be viewed as basic science. Firstly, It is very important to get fully
