Translation and Own-Language Use in Language Teaching Eva Skopečková, 2024-04-06 This book reconsiders the role of translation and own language use in the EFL English as a Foreign Language classroom It shows prospective teachers how to use the learners own language and translation optimally The author surveys current research about the EFL classroom and presents both a theoretical framework and a didactic model for using translation and learners mother tongues This is done through an action research project assessing the proposed didactic model for optimal translation practice in English Language teaching OTP in ELT through its integration into teacher education The book will be of interest to students and researchers in the areas of Translation Studies and Applied Linguistics particularly EFL ESL TEFL and TESOL as well as educators and designers of pre service training programmes for language teachers

Solutions Pre-Intermediate: Teacher's Book Tim Falla, Paul A Davies, 2007-11-08 Lesson per page structure which is easy to use and saves valuable preparation time Teen interest topics and personalized activities appeal to young learners Every lesson has an outcome I CAN statements at the top of each page build confidence by showing students what they will progressively achieve Speaking is integrated into all lessons to give students constant opportunities to speak Students get masses of practice from the Student s Book Workbook MultiROM photocopyables and the Student s website Build your students confidence and improve their exam grades through an exam page at the end of every unit and an interactive practice test on oxfordenglishtesting.com

English in Non-English-Speaking Countries Marjana G. Vaneva, 2022-04-13 Living in a modern world and being surrounded by the newest advances in technology today s English language teachers see the process of learning English as

completely different compared to when they learnt it themselves In addition linguists today proudly witness the different usage of the language that portrays the playful nature of English supported by its creative speakers and users This book presents a collection of English language teachers practices and challenges of teaching English to their non native English students in which they portray their perceptions of the teaching learning process These experiences will provide the reader with a perspective on what contemporary teaching of this language in a non English speaking country looks like As such this collection will serve as a guidebook for new scholars in the field **Subject Guide to Books in Print** ,2001
