interesting and worth admiring about this book is that Dweck did a tremendous amount of work before she wrote her book. Based on many observations during many years of research, the author developed something called a mindset of how different humans perceive different things in different ways and thus live differently. The author recognized that based on her observations, there are two distinct, radically different mindsets; however, both of these separate mindsets can be connected with some success. Truly interesting literature to read and to study.
