Vollmann,2005 Vollman Berry Whybark and Jacobs Manufacturing Planning Control Systems 5 e provides comprehensive real world based coverage of the concepts tools and methods used to manage and control manufacturing systems This major revision contains four entirely new chapters and four thoroughly upgraded to nearly original content ERP system coverage and the impact of them in the field is covered now in a new introductory chapter 4 as well as being integrated heavily into many other chapters from Sales and Operations Planning 3 to Advanced Scheduling Systems 16

Essentials of Business Statistics Bruce L. Bowerman,Richard T. O'Connell,J. B. Orris,2004 The First Edition of Essentials of Business Statistics delivers clear and understandable explanations of essential business statistics concepts through the use of case studies and examples Along with the text this edition offers a wide range of supplements that bring greater clarity to the text s concepts while also giving you the flexibility of additional coursework From publisher s description Operations Management Cases William V. Gehrlein,2005 William V Gehrlein s Operations Management Cases provides a new collection of cases suited for introductory OM students These OM cases have all been classroom tested with

undergraduates and MBA s and are unique in providing plenty of teachable and tested analysis opportunities for students Gehrlein s book provides cases on all OM topics with plenty of emphasis on analytic topics such as forecasting inventory and scheduling

Project Management Clifford F. Gray,Erik W. Larson,2008 As the market leading textbook on the subject Project Management The Managerial Process 4e is distinguished by its balanced treatment of both the technical and behavioral issues in project management as well as by its coverage of a broad range of industries to which project management principles can be applied It focuses on how project management is integral to the organization as a whole The 4th edition reflects the latest changes found in the practice Other texts discuss the topics covered in this text but they do not view oversight as the project manager s operating environment as does Gray Larson

Business Information Jay L. Zagorsky,2003 Table of contents

Fundamentals of Operations Management Mark M. Davis,2005 Davis Fundamentals of Operations Management fits the one semester course at either the undergrad or MBA market The 1st Canadian edition addresses the increasing trend toward briefer less quantitative and more managerial on issues that confront managers today and does so within a Canadian and global perspective Davis also serves customers in search of a brief conceptual overview to support their own lecture notes additional readings and or case material

Management and Organisational Behaviour Laurie J. Mullins,2002 Presenting a managerial approach to the study of organizational behaviour with an emphasis on improving working performance through a better understanding of human resources this book contains summaries review questions and assignments
