Dissertation Abstracts International, 2004 **The Global Positioning System** National Research Council, Division on Engineering and Physical Sciences, Commission on Engineering and Technical Systems, Aeronautics and Space Engineering Board, 1995-05-31 The Global Positioning System GPS is a satellite based navigation system that was originally designed for the U S military However the number of civilian GPS users now exceeds the military users and many commercial markets have emerged This book identifies technical improvements that would enhance military civilian and commercial use of the GPS Several technical improvements are recommended that could be made to enhance the overall system performance

Workers' Compensation Insurance: Claim Costs, Prices, and Regulation David Durbin, Philip S. Borba, 2007-08-27 The articles in this volume were first presented at the Seventh and Eighth Conferences on Economic Issues in Workers Compensation sponsored by the National Council on Compensation Insurance A principal objective of the Conference series has been for workers compensation insurance researchers to apply state of the art research methodologies to policy questions of interest to the workers compensation insurance community This community is a rather diverse group it includes employers insurers injured workers regulators and legislators as well as those who service or represent these groups e g physicians rehabilitation specialists labor unions Despite this diversity and the variety of agendas the Conference series continues to address many important policy questions Readers familiar with the Conference series and the four previously published volumes should notice an evolution in terms of the topics addressed in this volume In the earlier conferences the topics were more often concerned with the underlying causes of the tremendous increase in workers compensation benefit payments In the present volume however only four of the fourteen chapters directly concern workers compensation insurance benefits while the other ten concern the pricing of workers compensation insurance This is not to suggest that workers compensation cost increases have abated In 1989 workers compensation incurred losses exceeded 45 billion to continue the annual double digit cost increases Two explanations can be offered for the somewhat altered focus of this volume First despite the continued increase in prices the financial results for the workers compensation insurance line continue to be poor
