

The ACT Assessment

Sample Test Booklet and Answer Document

A complete answer document appears on pages 88 and 89. Instructions for using the sample test begin on page 83.

The booklet contains tests in English, Mathematics, Reading, and Science Reasoning. These tests measure skills and content highly related to high school course work and success in college. **ONLY ONE TEST MAY BE USED ON THE SAT READING AND MATH.**

The questions in each test are numbered, and the suggested answer for each question are written. On the answer document, the rows of ovals are numbered to match the questions. Use the oval in each row and column that corresponds to the suggested answer.

For each question, first decide which answer is best. Then, bubble on the answer document the oval that corresponds to the same as the question. Then, bubble the oval in that row that matches the letter of your answer. Bubble **00** in the oval completely. Use a #2 or #3 ballpoint and cover your marks fully and black. **DO NOT USE A SHARPER PEN.**

Make sure you answer to each question. If you change your mind about an answer, erase your first mark thoroughly before making your new answer. For each question, make certain that you mark in the row of ovals with the same number as the question.

Only responses marked on your answer document will be scored. Your score on each test will be based only on the number of questions you answer correctly during the time allowed for that test. You will **NOT** be penalized for guessing. **IT IS TO YOUR ADVANTAGE TO ANSWER EVERY QUESTION** unless you wish to do so.

You may work on each test **ONLY** when your test supervisor tells you to do so. If you finish a test before time is called for that test, you should use the time remaining to double-check answers you are uncertain about on that test. You may **NOT** use books or a test on which time has already been called, and you may **NOT** go ahead to another test. To do so will deprive you from the examination.

Use your pencil down immediately when time is called on the end of each test. You may look for one reason to go on to the next test after time is called for that test. To do so will deprive you from the examination.

Do not bubble in the suggested answer test booklet.
