The Prentice Hall Guide to Evaluating Online Resources with Research Navigator, English 2004 Melissa Payton,2004

Searching & Researching on the Internet & the World Wide Web Karen Hartman, Ernest C. Ackermann, 2005

Hartman and Ackermann both Mary Washington College offer a work on how to search for information on the Internet. They thoroughly overview Internet searching and discuss search tools and strategies, directories, search engines, and specialized tools for searching for news and multimedia, and citing and evaluating Internet information. The strength of this book is the hands-on chapters that contain examples meant to appeal to students from a variety of disciplines. Each chapter contains practice exercises designed to allow readers to master fundamental search skills. Additionally, the chapters are compartmentalized, allowing readers to skip materials they feel are unnecessary or with which they are already familiar. The target audience for this book is readers with little knowledge of Internet searching and those who desire a primer on this topic. However, this book is also a helpful resource for any level of Web searcher because it contains in-depth information on current search engines and their features, as well as other relevant Internet search tools.

Language Awareness Paul Eschholz, Alfred Rosa, Victoria Clark, 2013-02-08. Immediately and universally relevant language is the ideal theme to explore in a composition course. *Language Awareness* collects contemporary and classic readings about language that not only make students more aware of its uses and more capable of analyzing its effects, but also help them to deploy language more effectively in their own writing. New coverage in the eleventh edition provides even more advice on critical reading and working with sources, while a new organization focuses each short chapter on a single cohesive theme. In addition, insightful *Language in Action* activities help students connect what they learn about language to what they observe in their daily lives.

Writing.com Moira Anderson Allen, 1999. This practical guide is an invaluable tool for all writers aiming to develop or enhance a successful writing career. *writing.com* lays out a comprehensive plan for negotiating the wealth of new information and opportunity by harnessing the Internet's tremendous power for business expansion, skill refinement, promotion, and so much more. Book jacket.

Sf Compact Maxine Hairston, John Ruskiewicz, Christy Friend, 2004-02. Based on the Scott Foresman Handbook, *Sf Compact* offers a simple, brief, and inexpensive reference, as well as ample exercises and thorough coverage of research and documentation. Includes thorough coverage of MLA, APA, CMS, and CSE documentation through the context of the writing processes: writing for academic and public forums, style design, and shape of writing, grammar, punctuation, and mechanics, research, and writing and documentation. A useful reference for any professionals who generate correspondence.
