

HEALTHY SLEEP HABITS

Improve your sleep with some positive lifestyle changes and consistent sleep habits

1 REGULAR SLEEP SCHEDULE

Try to maintain a consistent sleep pattern 7 days a week. Getting up at the same time every day can help.

2 RELAXING BEDTIME ROUTINE

Spend time before bed relaxing: read a book, meditate, stretch, do yoga, have a shower or bath. Avoid difficult conversations, activities or work.

3 AVOID STIMULANTS

Don't drink caffeine, sugary or energy drinks in the evening. Avoid nicotine before bed. Only drink alcohol in moderation at night, if at all.

4 GOOD SLEEP ENVIRONMENT

Keep your bedroom clean, tidy and comfortable. Use a quality mattress and bedding. Keep the bedroom aired, and a temperature between 60 -70 °F (17-21 °C)

5 BLOCK OUT NOISE AND LIGHT

Make sure the bedroom is dark and quiet. Use blackout curtains or a sleep mask. Use earplugs, white noise, a fan or music to mask external noise.

6 ONLY SLEEP AND INTIMACY

Only use the bed for sleep and intimacy with a partner. Avoid watching TV or using other devices in bed. That will help associate the bed with sleep.

7 EXERCISE AND DAYLIGHT

Try to do regular exercise, but not too intense before bedtime. Spend time outside in the daylight. Even a short walk during the day can improve sleep.

8 EAT WELL

Try to eat a balanced, healthy diet. Avoid heavy, fatty, fried or spicy food late in the evening if you get indigestion. Bananas, yogurt or healthy cereal are good bedtime snacks.

Ultimate Sleep Hygiene Tips Explained For Students

Aurora Brooks

Ultimate Sleep Hygiene Tips Explained For Students:

Choosing the Best Mattress: An Experiment in Testing Whether Individuals Choose a Bed That Leads to Improved Sleep Sean O. Hogan,Jack D. Edinger,Gayle S. Bieler,Andrew D. Krystal,2011-08-07 A comfortable mattress is said to be an essential ingredient in a good night s sleep but we have little understanding of the effects of sleep surface on sleep outcomes such as daytime drowsiness or energy Most studies devoted to testing the effects of sleep surface on sleep have been hampered by methodological shortcomings these include having small numbers of subjects and evaluating a narrow array of bedding systems We hypothesized that motion and self reported measures of sleep quality and outcomes would demonstrate that the optimal mattress would differ from person to person We hypothesized that individuals would be able to select one mattress from among several under showroom circumstances that would lead to optimal rest We find that optimal mattress firmness varies among individuals and is reflected at least to a degree by overnight motion When allowed to test mattresses in a typical showroom experience individuals choose a mattress that does not minimize overnight motion and maximize perceived sleep quality This suggests that they may not be receiving the health benefits that come from optimal rest Therefore both manufacturers and sleep scientists could improve sleep outcomes by testing ways to help consumers select a mattress

Sleep and Perinatal Psychiatric Disorders Verinder Sharma,Laura Palagini,2025-09-13 This book provides an up

to date overview of sleep disturbance in perinatal psychiatric disorders There is accumulating scientific evidence that psychiatric illnesses such as anxiety disorders obsessive compulsive disorder and post traumatic stress disorder can begin or recur during the peripartum period However the general lack of awareness of their common occurrence coupled with an exclusive focus on screening for perinatal depression may lead to their underdiagnosis or misdiagnosis This book intends to create an awareness of the ubiquity of sleep loss and insomnia in the peripartum period and its potential role in the onset and exacerbation of various psychiatric disorders Divided into five sections the book s first section is a discussion of adverse pregnancy delivery and fetal outcomes of prenatal psychiatric disorders Section II describes the effect of common peripartum psychiatric disorders including mood and anxiety disorders obsessive compulsive disorder and post traumatic stress disorder on sleep and vice versa The three chapters of Section III deal with the screening evaluation diagnosis and prevention of peripartum psychiatric disorders Section IV focuses on the pharmacological and psychotherapeutic treatment of peripartum insomnia and the effect of breastfeeding on maternal sleep The concluding section discusses the importance of targeting sleep loss and insomnia in the treatment of various psychiatric disorders during and after pregnancy Sleep and Perinatal Psychiatric Disorders A Comprehensive Guide for Clinicians and Researchers will be a valuable resource for clinicians of various backgrounds including psychiatrists psychologists primary care providers internal medicine physicians sleep medicine specialists and obstetricians Due to its focus on recent advances in research and new directions in the field the book will also appeal to researchers

Sleep and Psychological Trauma or Stress Seog Ju Kim,Tobias

Hecker,Heon-Jeong Lee,2022-07-06

Helping Kids Achieve Their Best Dennis M. McInerney,Gregory Arief D.

Liem,2022-03-24 *Helping Kids Achieve Their Best* is a practical guide to motivating younger and older learners across the globe The book explores why some students are easier to motivate than others and why students lose motivation as well as outlining strategies that teachers can use in the classroom and that parents can use at home Comprehensively updated this second edition includes a new chapter on student achievement emotion Throughout the text each chapter includes a variety of examples and research based tools that can be put into action immediately along with vignettes question points action stations and recommended readings which help educators apply the suggested approaches in their own contexts The book is hands on and interactive inviting readers to recall challenges they have faced in their own teaching or parenting experiences and to apply what they have learned to better understand and cope with these challenges more effectively This book is an essential resource for pre and in service teachers as well as parents who aspire to motivate their children and help them achieve their best

Psychology in Everyday Life David G. Myers,C. Nathan DeWall,2022-05-26 Myers and DeWall s briefest introduction to psychology speaks to students of all kinds making no assumptions about student level or background

Why School Doesn't Work for Every Child Matt Bromley,2025-05-01 Every child no matter their starting point or background and no matter their additional and different needs should have an equitable chance of success at school This first book in the Equity in Education series looks at how schools can foster a better sense of belonging and ensure they are truly inclusive of all learners thus mitigating the effects of an increasingly unequal fractured society To ensure a child s birth does not also become their life s destiny Matt Bromley shows how an inclusive school culture can be created through a process that is as simple as ABC

Attendance raising the attendance and punctuality of disadvantaged learners Behaviours helping students develop appropriate behaviours for learning so that they can conduct themselves positively and develop the skills needed to access an increasingly challenging curriculum Community building a community around learners by putting family first and engaging with parents as partners in the process of educating their child Offering actionable guidance and strategies that can be used to support school development plans the book sets out the practical ways schools can create a collaborative culture in which all staff understand the importance of inclusion as well as the part they play in helping to achieve it As such it is essential reading for all teachers and school leaders who want to ensure that every child has an equitable chance of success at school and in later life

Exploring Psychology in Modules David G. Myers,C. Nathan DeWall,2021-10-06 The modules version of Myers DeWall s bestseller Exploring Psychology with its exceptionally current coverage set out in 49 brief segments
