Mike Smith believes that native is not only here to stay but is the future of marketing. The Native Advertising Advantage reveals why native advertising is an effective tool in any company's digital marketing strategy and how to use it to build new revenue streams. Smith explains how native ads are blending in with their surrounding content to blur the traditional church-state divide of editorial versus advertising. He shows how publications as diverse as BuzzFeed, Forbes, Cosmopolitan, and The New York Times are attracting readers who are just as interested in the content of these native ads as they are of journalist-written editorial content. Gleaned from dozens of interviews with advertisers, marketers, software developers, journalists, and publishers, the book reveals how native advertising fits into the marketing strategies and advertising budgets of successful companies such as GE, Intel, HP, Red Bull, ConAgra Foods, Pepsi, and others.

Applied Marketing is a concise product that provides the very latest examples of marketing techniques and campaigns from today's business world without compromising on traditional theories of marketing. Marketing is about decision making and professors want material that will help students develop their critical thinking skills so they can think like a marketer and see that marketing is everywhere around them. Who better to develop such a product than a practitioner Andrew Loos of Attack Marketing and an academic Daniel Padgett of Auburn University. Together these authors provide insights into what employers need to know: the latest tools used by companies today and can help students smoothly move from the classroom to their careers. Applied Marketing connects traditional marketing with customer perspective marketing, thus teaching students the value of allowing customers to feel more connected to the product, brand, and company.
