**Organization Development in the Largest Global Organization** Robert L. Reinhard, Peter F. Sorensen, Therese F. Yaeger, 2021-11-12. This book explores the U.S. military's extensive OD programs over 50 years, identifying three epochs: Traditional OD, Total Quality Management (TQM), and Continuous Process Improvement (CPI). It examines how OD interventions evolved to meet environmental demands, enhancing operational readiness.

**Leading Organizational Development and Change** Riann Singh, Shalini Ramdeo, 2020-07-08. This textbook covers the fundamentals of organizational development and change (ODC) theory while offering a comprehensive, structured and systematic approach to guide change management strategies at the organization level. It provides an in-depth understanding of and the tools necessary for designing, diagnosing, implementing and evaluating organizational change interventions. Students will be exposed to case studies in ODC from selected international and Caribbean/Latin American organizations demonstrating ODC in practice across a broad geographical context. This textbook, the first to offer a macro-level perspective of ODC, provides students with the tools needed to be successful in implementing change into today's organizations.

**Organisational Change: Development and Transformation** Dianne Waddell, Andrew Creed, Thomas G. Cummings, Christopher G. Worley, 2019-08-01. Change Management is a crucial process for gaining the competitive advantage that is the goal of many organisations. Leaders and change agents are often faced with conflicting challenges of motivating and understanding increasingly diverse workforces, accounting to stakeholders and planning for the future in a chaotic environment. *Organisation Change: Development and Transformation 7e* takes both an organisational development and transformational approach to change to reflect the environment of change faced by organisations today. With the field of organisational change continuing to evolve, especially in an international context, future directions of change management are also discussed. To emphasise the relationship between theory to practice, this text provides 10 local and international case studies, practitioner vignettes and a suite of online cases supported by a case matrix.
