Discussion Questions

You'll typically find 4 to 6 questions for each lesson, depending on the length of each lesson. Each question may include several sub-questions. There are designed to get group members engaged in discussion of the key points of the passage. If you're working about online, feel free to skip questions or portions of questions.

Suggestions for Classes and Groups

Part of the class should be an attempt to get group members involved in the discussion. This could include reading verses (single, suggested) for each lesson, and getting involved in discussion suggested or appointed as that would involve some members in a group.

We advise that depending on what translation people use in your group, the word names and titles could vary. You could use the NIV as the primary text for these lessons, but allow variations in the NIV, ESV, and RSV.
