Edmond,2018-10-28 Why do so many smart and successful people presidents celebrities

entrepreneurs and more opt for a curated closet that simplifies their personal style. Because it eases decision making, allowing them to efficiently allocate their resources—time, energy, money—to more important matters. Unfortunately, many smart people still struggle with how to dress because they don't know the secrets to curating the right wardrobe essentials. But if you learn the capsule wardrobe method, you can improve your personal style and build a closet you'll love.

The Style Challenge will teach you how to create a curated closet with essential items that compliment your shape, aesthetic, and lifestyle. You'll learn how to thoughtfully select pieces with the perfect fit, fabrics, and colors for you. Outfits compose looks or daily uniforms from a small number of items that work seamlessly together. Fabrics: select quality fabrics that work best for you and understand how to care for them to increase longevity. Colors: create a palette of hues you love but also work well together so every piece can be combined effortlessly. Silhouettes: understand how different fits and styles work for your body type and the activities you engage in.

The Style Challenge presents 9 steps that will help you save more time, spend more wisely, and increase your confidence. You'll never worry about how to dress again.

Step 1: Match your wardrobe to your lifestyle.
Step 2: Develop a distinct aesthetic.
Step 3: Evaluate what should stay or go.
Step 4: Create a shopping checklist.
Step 5: Budget for any wardrobe needs.
Step 6: Determine a set of go-to brands.
Step 7: Shop without impulse purchasing.
Step 8: Increase the longevity of your clothing.
Step 9: Maintain your commitment to a simple style.

As Stendhal once said, only great minds can afford a simple style. If you are up for the challenge, get ready to curate a beautiful and practical collection of only quality essentials that you absolutely love, cease the unnecessary stress and daily frustration associated with a subpar closet, and stop worrying about what to wear. Create a personal style that maps to your lifestyle and life phase so you look and feel polished, no matter what you are doing or where you are going.

The Style Challenge is the fourth book in the **Streamline Your Life Series**, a set of challenges that teach you how to live with awareness, clarity, and focus. Yes, there will always be difficulties, but life doesn't have to be so hard, especially when you commit to essential living. These step-by-step guides support you on your journey to simplifying each area of your life, from work and wellness to style and relationships. Though lightweight and easy to read, they offer a wealth of inspiration and information on how to live a good life effortlessly.
