Wilson,2025-10-20 In a world where death is no longer a mystery but a countdown 52 years 7 months 3 days 14 hours eleven minutes humanity has learned exactly when it will die Society reshaped itself around the ticking clock until everything collapsed Governments fell violence erupted and nuclear meltdowns carved a radioactive smile across America The Nine Makers a mysterious group claiming they can stop the clock vanished after leaving only a cryptic poem and a trail of devastation Juniper Juice Eustice was born into this fractured world raised on old movies survival skills and stories of hope But when her 15th birthday turns into a massacre and she becomes the only survivor her quiet town turns into a haunting reminder of everything she s lost Grief turns to purpose when Juice discovers what she believes is the first real clue to finding The Nine Makers hidden inside a forgotten retail museum from the golden age of malls Armed with determination memories of her grandparents bravery and the remnants of a broken world Juice sets out on a dangerous journey across the wasteland of America If she succeeds she may save humanity from its inevitable end If she fails time will run out for everyone
