

Company Profile

This company was founded in 1953 and is now registered as *Meco Engineering Company Limited*.

Based on the original site, our Head office and fabrication workshops are in prime location on the heavy haul route servicing Port Taranaki.

All workshops are well equipped with facilities for machining, light fabrication projects, pipe spooling, plant and general maintenance, structural steel, plate fabrication, and coded welding (NZ 4711 to ASME IX).

The success of the business is in its highly flexible workforce with no demarcation between trades. A number of the staff has been employed with the company for many years and all trades are supported by a highly qualified, professional management team.

In 1996 Meco Engineering Co Ltd attained Telarc registration of Q-Base No. 394 which incorporates our Quality Assurance and Health & Safety Policies.

Mission Statement

A Quality management system for the manufacture and project management of light and heavy engineering, machining and stainless steel fabrication.

A library file (hard copy and/or CD) is available at office reception for viewing by prospective or interested parties.
