## **Frost Thomas Bernhard:**

Frost Thomas Bernhard, 2010-11-24 Visceral raw singular and distinctive Frost is the story of a friendship between a young man at the beginning of his medical career and a painter who is entering his final days A writer of world stature Thomas Bernhard combined a searing wit and an unwavering gaze into the human condition Frost follows an unnamed young Austrian who accepts an unusual assignment Rather than continue with his medical studies he travels to a bleak mining town in the back of beyond in order to clinically observe the aged painter Strauch who happens to be the brother of this young man s surgical mentor The catch is this Strauch must not know the young man s true occupation or the reason for his arrival Posing as a promising law student with a love of Henry James the young man befriends the mad artist and is caught up among an equally extraordinary cast of local characters from his resentful landlady to the town s mining engineers This debut novel by Thomas Bernhard which came out in German in 1963 and is now being published in English for the first time marks the beginning of what was one of the twentieth century s most powerful provocative literary careers **Frost** Thomas Bernhard, 2008-01 At the behest of his surgical mentor a young Austrian medical student poses as a law student to journey to a remote mining town in order to observe Strauch an aging painter and brother of his mentor without letting Strauch know his true occupation and becomes caught up in the lives of the mad artist and a colorful assortment of local characters in the first English edition of the author s debut novel Reprint 10 000 first printing **Frost** Thomas Bernhard, 2006 At the behest of his surgical mentor a young Austrian medical student poses as a law student to journey to a remote mining town in order to observe Strauch an aging painter and brother of his mentor without letting Strauch know his true occupation and becomes caught up in the lives of the mad artist and a colorful assortment of local characters in the first English edition of the author s debut novel *Thomas Bernhard's Afterlives* Olaf Berwald, Stephen D. Dowden, Gregor Thuswaldner, 2020-10-01 In his prose fiction memoirs poetry and drama Thomas Bernhard 1931 1989 one of the 20th century s most uniquely gifted writers created a new and radical style seemingly out of thin air His books never tell a story in the received sense Instead he rages on the page he rants and spews vitriol about the moral failures of his homeland Austria in the long amnesiac aftermath of the Second World War Yet this furious prose seemingly shapeless but composed with unparalleled musicality and taxing by conventional standards has been powerfully echoed in many writers since Bernhard s death in 1989 These explorers have found in Bernhard s singular accomplishment new paths for the expression of life and truth Thomas Bernhard s *Afterlives* examines the international mobilization of Bernhard s style Writers in Italian German Spanish Hungarian English and French have succeeded in making Bernhard s Austrian vision an international vision This book tells that story **Thomas Bernhard** , 1997 **Thomas Bernhard, Essential Companions and Legacy** Martin Huber, Manfred Mittermayer, Peter Karlhuber, 2001 *Frost* Thomas Bernhard, 1963 *Twentieth-century Literary Criticism* Gale Research Company, 2005 Excerpts from criticism of the works of novelists poets playwrights and other creative writers 1900 1960 **Host**
